take the field. The playing on both sides was quite spirited, and both Clubs made good acores. The Cleve-land Club Clubs made good acores. The Cleve-land Club closed their first innings 17 ahead; but the second innings; to be played to day, may change this result. The bowling on both sides was excellent, and the batting good; but the fielding was nothing to brag of, on either side. Only one ball was caught by each set of fielders, and the players were all bowled out but four or five.
