PITTSBURGH GAZETTE

The wags are having their sport over the elections. Boston is full of puns and plays.—*Ex. Post.*

—You appear to think that the whigs have got a devil of a thrashing, but do not seem to realize the democrats are just as badly beaten.—*Whig.*

—Yes we do, but had rather talk about your defeat than ours.—*Post.*

The Boston *Atlas* says "It was remarked by a person of eminent gravity' yesterday morning that the Political dish of Monday was entirely spoiled by the introduction of two much cayenne (K. N.)

A rumor prevailed in Boston that Mr. Barnum had arrived, in hot pursuit of the Democratic member of the House of Representatives.

Col. S——, expressed the hope that the aforesaid democratic member would not bolt from his party in the House upon any important question during the next session."

A Neplgram.

BY TOM, THE FOLDER BOY.

The Know Nothings coined into control,
And after burnt up lots of powder,
I believe if they'd carried the whole,
They could'nt a cowed no louder. *Post.*

BOOKS, MUSIC, &C.

Fresh Stock of Nunns & Clark's Pianos

H. KLEBER respectfully informs the public that he has just received from Baltimore with the largest and most complete assort of PIANOS ever brought to this city. They are from the celebrated factory of NUNNS & CLARK, and are warranted perfect in every respect. N. & C.'s Pianos have received the first premium wherever they have been exhibited, and are considered by the musical profession to be unsurpassed, as all other instruments and cannot compare. The prices will invariably be the same as charged at the factory, viz: Piano Forte from $250 to $500.

Also, a choice lot of Dr. Clark's well known and highly popular Pianos. Durham's Pianos are making the first premium in this city, and they have kept up a most enviable reputation to this day for superiority of tone, touch and durability.

The above list comprises all sizes, and octaves and assortment of styles, and as they are selected with care by himself and thoroughly examined by him, he can, in all cases, guarantee perfect satisfaction to purchasers with a *specific understanding, if reliable Pianos, and at factory prices.* Persons in want of a good Piano will find it to their interest to call and examine before buying elsewhere. HENRY KLEBER,

Sole Agent for Nunns & Clark's Pianos;
Also, Dunham's Pianos.

CHERRY PECTORAL

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolonging the term of human existence, none can be named of more real value to mankind, than the Cherry Pectoral of Dr. J. C. Ayer for the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines is known, so surely control and cure the numerous varieties of pulmonary diseases that have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the certificates of cures that daily come to us, but we would present the following—and refer farther enquiry to my American Almanac, which the agent below named, will always be pleased to furnish free, where is are full particulars, and indisputable proofs of these statements.

OFFICE OF TRANSPORTATION,
Lauren D. H., S. C., August 4, 1853.

J. C. Ayer—Dear Sir: My child, now 2 years old, has just recovered from a very severe attack of malignant Scarlet Fever, hit throat was ulcerated, and the fever settled into pulmonary consumption, and a dreadful cough. Having used your CHERRY PECTORAL in California in the winter of 1851, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and at 9 o'clock at night, I found a decided change for the better, and after three day's use, he was able to sit up, free from pain.

I am in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a parent. For all affections of the throat and lungs, I believe it the best medicine extant. A feeling of the deepest gratitude, prompts me in addressing you these lines—but, for your unwonted discovery, my little boy would now have been to another world.

I am yours, with great respect,
J. D. POWELL, Sup. Trans. L. R. R.

GEORGIA, Columbus Co., N. J., July 21, 1852.

Dr. J. C. Ayer—Since your medicine has become known here, it has a greater demand than any other cough remedy we ever sold. It is spoken of in terms of unmeasured praise, by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. Some time since I was sick myself, and I know that I am giving my customer the worth of their money and I feel perfectly safe in recommending it to the afflicted.

In case any one has a further supply, and believes it will do him good, I will forward it.

Yours, with respect,
JOHN C. WHITLOCK.

P. S. Almost any number of certificates can be sent you if you wish it.

WINDSOR, C. W., June 26 1852.

J. C. Ayer—Sir: This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my duty to believe that I should have been in my grave many days since if I had not. It has cured me of a dangerous affection of the Lungs, and I do not consider any conviction when I tell you it is a priceless remedy.

Yours, very respectfully,
JOHN B. GELLIN, Attorney at Law.

WM. CRAWFORD, Pa., Sept. 24, 1850.

Dr. J. C. Ayer—My wife has been troubled much and deeply afflicted by those who have used it here, and its compound, that such as believe and practice its use, unanimously recommend it for pulmonary affections, as do many of our principal physicians.

Yours, truly,
THAS. STRATTER, M. D.

MEDICAL.

TO THE PUBLIC.

MOST IMPORTANT ANNOUNCEMENT.

RETIREMENT OF PROF. JAMES McCLINTOCK, M. D.

From the Philadelphia Medical College

A NEW ERA IN THE HISTORY OF MEDICINE

Popular Medicine for the first time sanctioned by the

HIGHEST AUTHORITY IN THE PROFESSION!

THE undersigned have the pleasure of informing the public that they have made arrangements with the eminent Professor JAMES McCLINTOCK, M. D., of Philadelphia, known for more than a quarter of a century past as one of the greatest practitioners and teachers of Medicine and Surgery in this country or in Europe, for the purchase of his recipes, and the production of a series of FAMILY MEDICINES therefrom, which will be put up in a cheap and popular form, adapted for general use, and suited to the most prevalent diseases. These remedies embrace some of the most valuable discoveries and combinations ever known for the cure of disease. They are the fruits of the most profound investigation, the ablest research, and the almost unequaled experience of one of the first physicians of the age. Each remedy is especially adapted to some particular form of disease, in accordance with the highest principles of modern medical science. Each of the remedies have been tried, improved, and finally perfected, in the course of a long, active and highly successful practice, not only in Philadelphia, but throughout many distant sections of the country to which his great reputation has called him. Their nature and effect are known and approved of by hundreds of regular physicians who have been his students and seen their beneficial results in Dr. McClintock's own hands, while they were under his tuition, in the Colleges of Philadelphia, Castleton, Pittsfield, and elsewhere.

PROFESSIONAL CERTIFICATE!

This is to certify that I have placed in the hands of Messrs. A. Cushman & Co., Pittsburgh, Pa., the recipes of Professor McClintock, with my full authority to prepare and offer them for popular use. They are such as I have used in the form of compounding and prescribing for many years, and their composition is well known to hundreds of regular physicians throughout the country, and they are many of them now practising with distinguished success. I have selected Messrs. A. Cushman & Co. for this step are numerous one of the most recent is that the demand for my remedies has far exceeded my own means of supply, as to make their preparation necessary to my further success, as to make their preparation for general sale my time and labor. It is the belief that a distribution of my remedies would be in many cases the general introduction of my remedies would be in many cases the means of saving public health, and in the end would prove a benefit to the community at large.

Very respectfully yours,
JAMES McCLINTOCK, M. D.

Late Professor of Anatomy and Surgery in the Philadelphia College of Medicine and Acting Professor of Midwifery and Diseases of Women and Children in the Pittsburgh Medical Institute, Regular member of the National Medical Association, Member of the Philadelphia County Medical Society, member of the Medico-Chirurgical College of Philadelphia, former President and Professor of Anatomy and Surgery in the Eclectic Medical College, Vermont, and also, late Professor of Anatomy and Operative Surgery to the Berkshire Medical Institution, Pittsfield, Mass. &c. &c. &c.

We need scarcely remind the intelligent public of the great necessity, which exists for the introduction of a few *reliable popular medicines*, which may be soon gently adopted into family use, and *depended on* in every case in the absence of a physician, as being the best and *Standard Remedies for Universal Experience*. If you or any of your friends are sufferers, see no time in procuring the aid of the *first medical authority of the day*, by obtaining and giving a trial to each of these certificates as they are sold to the case. Special attention to the first on the list as being most generally demanded, at this season namely, the

MISCELLANEOUS.

Pittsburgh Riding School,

Corner of Diamond Street and Cherry Alley.

ROBERT H. PATTERSON, Proprietor,

THE subscriber respectfully announces to the ladies and gentlemen of Pittsburgh, that he has recently erected a RIDING SCHOOL, which, in point of size, commodiousness and acquisitions, undeniably excels any similar establishment in the United States. Having had a long experience in the art of equitation, he flatters himself that he will be able to render his pupils, in a short time, perfect masters of the manly and elegant exercise of horsemanship. From the well-known character of his past efforts to please the public, he feels confident that the present will not be found wanting in any thing which can contribute to the comfort and gratification of his patrons.

The School will be open every day in the week, (Sunday excepted) from 8 o'clock A. M. to 10 P. M. Ladies will be waited upon by the proprietor, at their residences, if desired.

Horses will be taken to board, on the most reasonable terms, and every attention paid to their comfort and health
