PITTSBURGH GAZETTE

"Hooray!" screamed Ike, through the broken pane of glass, pushing, at the same time, the shingle and the fork that held it there on to the floor. "Hooray!" the Know-Nothings have carried the day, and Smith is Mayor!" "Well, Isaac," said Mrs. Partington, "you need n't make such a noise about it—you could n't make more noise if a horse had come in instead of a mare. Dr. Smith is a good man, and I dare say he has n't forgot how to vaccillate either, though he has got to be the father of the city, and dispenses with law rather than physic, only do n't make such a noise about his 'lection, because it aint anything to brag about anyhow." She put up the shingle again and planted in with the fork, while Ike turned his attention to snow-balling a "Mickey" who chanced to be going by, striving, in a small way, to carry out the principles of "the order."—*Boat. Fresh Stock of Nunns & Clark's Pianos.

H. KLEBER respectfully informs the public that he has just returned from the Eastern cities with the largest and most complete stock of PIANOS ever brought to this city. They are from the celebrated factory of NUNNS & CLARK, N. Y., and are warranted perfect in every respect. N. & C.'s Pianos have received the first class *prize medals*, both in this country and Europe, and they are considered by the musical profession and judges in general, as altogether *unrivalled and unequalled*. The prices will invariably be the same as charged at the factory, without addition. They range from $250 to $1,000. Also, a choice lot of Dunham's well known and highly popular PIANOS. Dunham's Pianos were among the *first* used in this city, and they have kept up a most enviable reputation as being far superiority of tone, touch and durability.

The above lot comprises all styles and prices, and as every instrument offered for sale by the subscriber is carefully and thoroughly examined by him, in all cases guarantee to furnish purchasers with a *good, substantial and reliable Piano*, and *at factory prices*. Persons in want of a good Piano will find it to their interest to call and examine before buying elsewhere. HENRY KLEBER,
Sole Agent for Nunns & Clark's Pianos.
No. 101 Third street.

Also, Dunham's Pianos.
Sign of the Golden Harp.
Old Pianos taken in exchange at their full value. n26

CHERRY PECTORAL

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary diseases that have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space will not permit us to publish any proportion of the cures affected by its use, but we would present the following—and refer further enquiry to any American Almanac, which the agents below named, will always be pleased to furnish us, wherein is are full particulars, and indisputable proofs of these statements.

LOWELL R.R. S. August 4, 1853.
J. C. Ayer—Dear Sir: My little son, 4 years old, has just recovered from a very severe attack of malignant Scarlet Fever, his throat was robbed, and the disease at first settled him pronounced him a dead child. Having used your Cherry Pectoral in Cholfrois in the winter, and found it a severe attack of Bronchitis, with entire success, I was induced to try it in our little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better. On the next day's use, he was able to sit up, drink with out pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the throat and lungs, I believe it the best medicine extant. A feeling of the deepest gratitude, prompts me to address you in this line—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect,
A. D. PHELPS, Asst. Supt. Trans. L. R.R.

ROCK HILL, (Somerset Co.,) N. J., July 21, 1852.
Dr. J. C. Ayer—Since your medicine has become known here, it has a greater demand than any other—and I can say we have ever sold. It is spoken of in terms of unmeasured praise, by those who use it. I have had some of the Lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours, very respectfully,
D. A. MCCLELLAN, Attorney at Law &c.

WHEELERS, Pa., Sept. 28, 1850.
Dr. J. C. Ayer—My Dear Sir: Your medicine is much appreciated by those who have used it here. Its character for action is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, and shall continue to do so, as long as it retains its present character as one of the best and most effectual remedies for all forms of throat and lung complaints.

Yours truly,
THOMAS STRRATER, M. D.
