WOULD respectfully inform the trade that his imported and manufactured Styles for the Spring Trade will be ready for inspection on the 19th of February.

Charles's London Cordial Gin.

WITHOUT the necessity of extraordinary publicity, with scarcely an effort on the part of the proprietor, this superb Gin, in the short period which has elapsed since its introduction to the American public, has achieved a popularity beyond precedent in the whole list of alcoholic stimulants.

The Certificates of over Five Thousand Physicians in England and the United States, proclaim its transcendant merits.

It is upon the sideboard of the family and the bar of every well-regulated hotel, by the bedside of the sick, as well as the companion of the healthy. *Free from fusel oil, coming qualities,* it is harmless in its adoption. The inebriate, by its use, finds it a slight stimulant. Thus, while it tends to allay the appetite, gradually wears him from the horrors of delirium, and restores a shattered constitution.

Its great reputation is derived from its absolute purity, its delicious flavor, differing entirely from every other gin, its great utility as a medicine in cases of dyspepsia, gout, rheumatism, diseases of the kidneys and innumerable other maladies for which as a remedy and preventive it has no equal.

To travelers it is indispensably necessary, dispelling the annoyance frequently engendered by change of water, etc., as, also, sea-sickness, fever, and malaria of every description.

CHARLES' LONDON DORKING GIN is put up in square bottles, stamped with the proprietor's name, and the fac simile signature upon the label, and packed in cases of two dozen each.

Beware of imitations. The genuine Charles' London Cordial Gin can be had retail of all respectable druggists and grocers, at alehouses, and wholesale of the sole importers. DAVENDORF & CHARLES,
