Barri-There is a smaller and baseling in the proof of t

Turtle Creek, kapt by refer recumed William Richie.

It appears that a number of ladies and genticum composing a sleighing-grayth ad stopped; at Perchannt's tavern that night, and were enjoying themselves by dancing. While they were thus the first.

Thomas Murphy and John Braddock, being also on westight-nice, stopped at the house, and crucing the room where the party were dancing, began to take part in the festivities. A difficulty ensued, during which Henry Bushy drew a pistol and shot William Richie, one of the dancing party, in head-done. The affray took place about four o'clock in the morning.

A warrant was issued by Mayor Volt on Wednesday, on cath of Adam Wagoner, and Rashy was agreeded. He was committed to jail to swait, a further hearing on Tuesday next. The physicians pronounce Ritchie's wound a dangerous one. The nitimate result is uncertain, and it is impossible as yet to say when the sapect of the case may change.

We understand Bushy is a boiler maker of the wastend and a process of the case may change.

He has been actively engaged in establishing an "Orphan's Home" at Zeilenople, Buller county. A fine edifice has been receted and a number of orphans are already under its protecting roof. This institution, together with the care of an infant congregation in Allegheny and a continued devotion to the Hospital which bears his name, will hereafter engress all his talents and time.

Mayor Anams, on Wednesday, committed Hiram Kelly to the House of Refuge for vegrancy, on his own confession. Kelly is nineteen years of age and has been leading a very bad life for some years past. His mother being dead and his father exercising no control over him, he became a common loafer and vegrant, eleeping at night in stables and canal boats. We hope he may be reformed under the tuition of Mr. Rutherford.
