MR. SEWARD ELECTED !- It is with most heartfelt pleasure that we are able to announce this norning, that Hon. WE. H. Saward was yes-terday elected United States Senator by the leg-Islature of New York, for six years from the 4th of March next. Although we had anticipated this gratifying result, yet we had some fears lest the machinations of his bitter ensmiss, backed by the influence of the whole slave power, should prevent an election. All honor to New York, which has thus endorsed har noble and able Senator, and has sustained him in his just and manly position that there is a "higher law" than that of human enactments.

than that of human snactments. The cause of freedom is progressing. HARLAY, from Iows, DURREN, from Wisconsm, WILGON York, all men of true anti-Slavery scutiments and stiff in the back, have been added to the list of Senstors within a few weeks. We have good hopes of lilinois, and some for New Hamp-hires and some little, very little, for Pennsyl-wais. The cause of freedom is by no means hopeless, when such men are added to the trails or freedom is by no means hopeless, when such men are added to the trails of the North in the Senste. The South will now set up a howl of agony, for of all Northern men she hates Seward the worst.
