witson is inconsistent with these principles, and it offers the following excuso:

"The American order is very powerful in Massachusetts, but not sufficiently so to overacome the Free-soil majority. They contend that it is much, to have nearly divided the House of Representatives and reduced the Senatorial majority to a single vote. They contend that each income of the order has the right to express his own opinion upon the subject of slavery, (which is a sacred and undoubted right,) but assert that Mr. Wilson will not intrude, or express his or their opinions in the Senate of the United States. Mr. Wilson will not intrude, or express his or their opinions in the Senate of the United States of the United States, and avoid an expression of individual or representative opinion; if the question shall be brought before him in his legislative capacity. Still, we shall suspend our opinion, in the hope that these predictions may be verified. Mr. Wilson will soon have an opportunity to speak for himsolf, and the question will be definitely settled, so far, at least, as his own good faith is concerned."

So, the brethren could not prevent the expression of the views of Free Soil man in Massachusers and beginning our position by laying them because of the United States. Dr. John Mings, of the city of Richmond, though a regular/hyrician, and of course opposed to what he called-quack medicines, was obliged to say that its good effects in the case of Mr. Ramsey; were wonderful indeed. He had been given up by several physicians; had tried most of the quack medicines, and was on the verge of despair, awell as the grave, when he tried Carter's Spanish Mitture. Mixture.
