LAUNDRY BLUE—The attention of families and wash-women is invited to this Blue, which is simply Indigo dissolved, leaving all the impurities behind. The Laundry Blues, over the undissolved Indigo, the advantage of imparting a better color to clothes, being much more strong and concentrated, and there is also a saving of about one half, owing to the fact that not more than one half of the Indigo can be dissolved by water. It is entirely destitute of any properties injurious to clothes. We would solicit a trial, and warrant it to be represented. For sale by JOHN HAFT, Jr.,
