A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have abunor it has to start I There are no ifs nor anda, hums or ha's about it suiting some cases and not your. I peddied overs thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Mazzachusetta. I gave it to children a year old; to old people of sixt. I have seen poor, juny, wormy looking children, whose fieth was soft and fiabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick bendache, one bottle will always cure it. If gives great relief to catarrh and distinces. Bome who have been cuttine fer years, have taken and been regulated by it. Where the body is sound, it work quite easy, but where there is any derangement of the functions of nature, it will cause very singular real ings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad eventil from it. On the contrary, when that feeling is cone you will feel yourself like a naw person. I have likewise an herb, which, when simmered in sweet oil, dissolves Ecrofalous swelling of the most actual most oil, dissolves Ecrofalous swelling of the sidelical Discovery SI per bottle.

Piles Aeglected, often prove fatal, leads to consumption anoth the part three times a day with DALLEY'S PAIN EXTRACTOR. If severeloo form in the rectum then insert the "Pile Syrings" filled with Extractor, and gradually dicherge it as the syrings is withdrawn. It never fails to cure cases of any age of virulence, nor to give mitire see instantly to all, frequently curing by one application.

Piles are known by the beat, liching, and pain of the annu. Riceding piles are caused, symetimes, by the failing of the whole bowate which then press the intestinal canal tight against the back bones and keep the blood from returning up the vessels, similar to the blood being thep at the top of your flagres when a string is tled tight round it; such is frequent, and for serofulous humor's and ulcers to form therein, then procure a perfect abdominal supporter, and wear a compress to the rectum, and continues to one the salve as above, also rub it well over the boins and abdomen for some time, and the satural belie that support the bovels will be jountareded and made strong, and your life will be saved. If properly applied every case will be cured. It never fails.

Consumption and Spitting Blood—See the cartificate of Mr. Turner H. Banney, for many rears proprietor of the Farmer's Hotel, Frederickburg. Va. and late of the City Hotel, Richmond, Va. Dr. John Minga, of the city of Richmond, though a regularly ridge of the City Hotel, Richmond, though a regularly ridge of the City Hotel, and of course opposed to what he called quack medicines, was obliged to say that its good effects in the case of Mr. Ramsey, were wonderful indeed. If had been given up he several physicians, had tried most of the quack medicines, and was on the verge of sepair, as well as the grave, when he tried Carter's Spacial Mixture.

We refer the public to his full and isngthy certificate around the bottle, taking his curs. See advertisement. 1029 index.

When death is at the door, the remedy which would have saved life, if administered in time, comes too lests. Do not triffs with disease. Bely upon it that when the stomach will not digast food—when faint-ness and issuited pervade the system—when the sleep is disturbed, the appetite feeble, the said dethargie, the nerres unnaturally sensitive, and the head confused—rely upon it, that when these symptoms occur, the powers of vitality are failing, and that, unless the mischler is promptly checked. He will be shortened, as well as rendered miserable. Now we know from a massof testimony greater than was very before accumulated in favor of one remedy, that Hoofand's German bitters, prepared by Dr. C. M. Jackson, Philadelphia, will immediately abate, and, in the end, entirely remove allof these disorders as arrely as a mathematical process will solve a problem. Who there, will endure the agony, and the risk of life, with health and safety within reach? See devertisement.
