The Jonés-ville *Taleyraph* says: "The favorable reports from various parts of the State in relation to the condition of sheep will not apply to this section. It says sheep have had a hard time and look very poorly indeed. Cattle, considering the win-ter, look very well, but there are very fow fat ones. Beef cattle in good condition, are hard to be got at \$5 per hundred on foot." From such information we cannot promise ourselves beef for less than 12 cents per pound.
