mismon of Commodore McCauley and the Home Squadron, lately despatched to the Guif. If any quarrel could be effected with Spain which would give us a new Slarsholding State out of Cubs, it might render the Administration popu-iar at the South. But the uncertainty of such a result, in the present aspect of States, makes it questionable whether the movement is not far Spain or Cubs, or the United States. We find in the Washington papers the instruc-tions issued by the Postmaster General to Post-tions issued by the Postmaster General to Post-tions issued by the Postmaster General to Post-tions.

tions issued by the Postmaster General to Post-masters in reference to the new Law. The fol-
