Power to depose; and more, that there was not power to depose; and more, that there was not substantiable of the county of Allegheuy."
"An Act for the creation of a new counties to be deposing power doe actually exist at the dootrine of the world.
The deposing power doe actually exist at counties to be deposing power doe actually exist at counties to be deposing power doe actually exist at counties to the county of Allegheuy."
"Supplement to the act entitled 'An Act to incorporate the Coal and Iron for the reaction of the poor in the county of Allegheuy."
"Supplement to the act entitled 'An Act to incorporate the Coal and Iron for the reaction, for they area deposed during the deposing doctrine is in danger.— The difference between the modern and the met and portilige of a hark of lasse."
"An Act altering the charter of the Hanover B ank of Philadelphia."
"An Act altering the charter of the Hanover B ank of the singdom, to be put in force graph and the sourd. The divine right of and the sword. The divine right of each of the soct, entitled 'An Act, to the soct, entitled 'An Act to incorporate the Monongahals and privilege of a hark of lasse."
"An Act altering the charter of the Hanover B and privilege of a hark of lasse."
"An Act to incorporate the Monongahals and privilege afford, that is their affar. This sould the sword. The divine right of each and the sword. The divine right of each and the sword. The divine reading when a bloody revolution. A deposition does and secording to the single private the bishops, or even in architer bill to incorporate the Allegheur and and and the sword. The divine readense the 'An Act to incorporate the Allegheur and New Brighton plank read atken up and passed to third is a start affar. The bill to incorporate the Allegheur and and privilege afford, the power in duesting the incorporate the Allegheur and and the sword. The divine read the alken up and passed to third is a fare dis grant, was taken and spiritual power does not, stroy the claim which the government has upon him." Now, suppose the government were to order a priset to fight, would Dr. England have admit-tied the claim, and, thrown the dissipline of the Church to the winds! If the pope can forbid priset to fight when the civil government bids the claim of the government. The old Gallican leaven, driven out of the old oplaions of obstinate men in Europe scene to have and favor in some quarters in America. Hu-manly viewed, the matter is casy of explanation-will never convert herefics, but are sure to per-ter catholics. At minute strate along. ben no clamor if the power in a terts wordt area been no clamor if the power in a reth-blatops. Mr. Chandler goes a great deal further-we are sorry to rofer to him so often-and trencher ou the real spiritual power which he is so antion to guard inviolate. His words are these: "I de-ny to the Bishop of Rome the right resulting from his divine office to interfere in the relations between citizens and their governments." It is impossible that he can mean what these words in Piedwont, defaulting one class of citizens the words against the government, and yet in the House of the state. The godine to the training one class of citizens the and the Pope institute of citizens there all consumptions and Conserseg and commit will the Pope in iterferes, and yet in the House of the state. The godies colleges in Ireland, the popinion, which must have escaped from the speak ker who did not ponder his words. I to be the Dr. England, Bishop of Philadelphis cooupled the bister of the Dre, and cartinals, and all the powers of the Cathole world muited, simulation of whom is the late Dr. England, Bishop Charleston. That prelate is reported to have and against the protes of the cartinals, and all the powers of the Cathole world muited, simulation a general council. Let the council lay a tax of the take noly ono any of our churches : we witt ad east witten "Let the pope were to declare was against America, and any Rouma Catholic, world against the further extension of Human Bond against the further extension of Human Bond against the rothe size furthers extension of Human Bond against the claim which the government has upon the west the science and the signification. The is refusal, became a continue the speak and any Rouma Catholic, world and entrops the government thas upon the west the science and the signification of the speak of the free size of the state of his refusal, became a general council. Let the council lay a tax of frame lay prose the government has upon the west the science and the region of the science and the pr

flight: "I pledgë myself to you, and to the world, if old Bandolph don't give a large majority for

pleage myself to you, and to the world, if old Bandolph don's give a large majority for Wise, I'll seize the bighest nob of Cheat Moun-tain within her limits, by the shaggy tops of its Signatic chestnat oaks, and sling it clear into the Pacific ocean."

It is now within twenty days of the time fixed. for the opening of the Ganila, and yet, says the Buffalo Commercial Advertiser, the ice extends in one unbroken mass for more than one hundred a miles up the Lake. Unless there should be a decided and prompt improvement of the weather, there is no promise of Lake novigation before from the first to the tenth of May.

United States Bank Notes.—We learn that United States Bank Notes are now worth 83 per cont. interest, or.188 for 100, and are redeemed at the office of .the Trustees for payment of the Circulation and Deposits, in Walaut street, above Third, south side, Philadelphia.
