THE BALM OF THOUSAND FLOWERS.— This unique discovery will put to flight a whole covey of "scented scops," "oreams," pastes, and similar nostrums which have been palmed upon the pub-lic by ignorant quacks for the sake of gain. The Balm, on the centrary, has been proved, after being most critically analyzed by the best physi-cians in the United States, to contain un barmful ingredient, and is the most useful article for the beard, the teeth and the hair ever submitted to the public. For sale at Dr. Keyser's 140 Wood street. Free: McGowan in the Chair. Minutes of last meeting read and adopted. The Committee on Teachers and Salaries pre-sented an interesting and important report, re-commending the fumber of teachers to be em-ployed and salaries to be paid, for the school year commencing June, 1855. The following is an epitome of the report:
