event, will be heavy.--Cleve. Leader, INFROVEMENTS.-The tide of emigration is al-ready beginning to pour into our Territory. At various points we hear of new arrivals daily.-Here at Omaha buildings are going up with astom-ishing rapidity inall parts of the city. At Brown-ville, Nobraska City, Bellovue, Fontenelle and De Soto the work of improvement is going stead-ily and rapidly forward. The old towns in the Territory-we mean those that were commenced inst fall-have already grown into importance.-In various parts of the Territory, new town sites have recently been surveyed, some of which must at no distant day occupy conspiouous places.--Omaha City Nebrashian. THE READY WE FURTHER THE STATE

The still upon mother earth." Froat.--We have made inquiry of several friends from the country and we are glad tolearn that the frost has done no injury to the fruit--Columdus Jour. 11th. WHEAT CRO.--From all parts of the State we learn from our cochanges that the coming trop, if not injured in filling, will be larger than any proceding year. As far as our observation surgifies, the weat in this soction looks very think that early wheat will be fit for the State the that early wheat will be fit for the State the that early wheat will be fit for the State any proceding year. As far as our observation think that early wheat will be fit for the State any proceding year. As far as our observation think that early wheat will be fit for the State any provide the weat and the state any provide the state we will have an ourly harvest; they think that early wheat will be fit for the State any the 20th of June.--Guernery Times. THE SEASON IN EUROPE. Letters from the continent report that the season in Europe is three weeks behindhand, and, at the last accounts, there was a cold spell of bitter winds, which as
