Flass may be had at the sandian from the slove set smorp the most dedrable box now the in this city, being in a highly improved neid buildness Terms-fourth the starties in the studied buildness Terms-fourth the starties in the studied buildness P. M. DAVIS, Auct. ORPHANS' COURT SALE OF COUNTRY

The simple, now subdivided into hole of our-dorate of an cone to hitryrone acres. On one of the holt is served the Baldwin Manyion House. Also-That superior merchast and grist mill (with we-ter power among the best in the owner, and ample steam power, with all late impovement it, and or for the server in the state of the constituent of the server in the simulation of the size of the server is the server into a state of the constituent of the server of the size of the size of the size of the state of the superior of the size of the state of the state of the size of the size of the size of the state of the size of the size of the size of the state of the size of the size of the size of the state of the size of the size of the size of the state of the size of the size of the size of the state of the size of the size of the size of the size of the obtained by applying to Mar. Baisa of the pressive of the size of the obtained by applying the size of the si

resisted, but finally yielded, on condition that,

the country than the South had chickliked of h A free State was formed on the shores of the Pacific, and to secure its admission into the Union, and to settie governments for the new territories, another compromise was patched up, and the Fugitive Slave Law was concocted to in-selt and wound the North. The North, sore, de-graded and injured, still measurably yielded.— Her love of quiet, her strong attachments to the "Enion; the power of commercial relations and social intercourse, together with the influence of leading and respected public men, whose ambi-tion they_helleved could only be gratified by propiltating the North, all tended to subdue her into submission to what the could not approve. Astonished at the forberance and publicans, the sare ologisticate presses and politicins, the sare and the sportion of the Louisians purchass which had been sacredly dedicated to formed at aroused the spirit of the North, and the sound of resistance to such unparelleled outrage is sounding through the land. The serving press. This has at of aggression fins at last aroused the spirit of the North, and the second is alt method the portion of the Louisians purchass which had been sacredly dedicated to foredoms aroused the spirit of the North, and the sound of resistance to such unparelleled outrage is sounding through the land. The serving press alarmed, and the old thread bare chast is again

alarmed, and the old thread bare chest is again resorted to, and every Northern man who will New Daguerrian Gallery. New Daguerrian Gallery. MR. NELSON would respectfully inform his friends and the public generally, that in order to meet the daily increasing demand for his Descurredypes he has had built and has now complicated (over the Uni-fort Office, Third street,) meet the meet product of magnificent Sky Laft to have the meet product of guerrootype purposed in the first street, wave now grouped is a from 8 of office A. M. till & of older N. M. A title from all is solicited, whether they wish for 14 knows of or not. Mooras, Old Fort Office Building, Third street efforts of the street of the solid street of the street street of the street of the solid street of the street efforts of the street of the street of the street efforts of the street of the street of the street efforts of the street of the street of the street efforts of the street of the street of the street efforts of the street of the street of the street efforts of the street of the street of the street efforts of the street efforts of the street of the street of the street of the street efforts of the street of not tamely submit is denomiced as an agitator, a disunionist. Again we ask how long must for bearance be exercised? What do these men want? Do they desire to see the North utterly degraded, morally and politically, and brought solely un-der the iron rule of the slave oligarchy? We can come to no other conclusion. If we ought not to resist southern encroachments now, then Balm of a Thousand Flowers, for beau Lifting he Complexion, and eradicating all TAP. Pravice and Practicate from the tack. Bold at Dr Keyser's, 140 Wood street. there never can occasion arise for resistance and we may make up our minds tamely to sub-mit to whatever destiny our Masters may carve

We have trequently heard the celebratwe retort the charge of disunion sentiments upon those who so glibly make the charge upon the majority of the North. They are the real disunionists. They affiliate with the secession party of the South. They encourage slavehold-ing disunionists in all their mad schemes of out-rage and Allibusteriam for the extension of sla-rety. They support the Fugitive Elave Law, instead of advocating its repeal or modification, instead of advocating its repeal or modification,

very. They support the Fugitive Elave Law. It may be introduced to every family where dryppens has, Instead of advocating its repeal or modification, when they know it meddens the people of the Citizen's Insurance Compy of Fitteburgh North, and that every slave captured under it endangers the peace of society and weakens and *shakes the Union itself. If they loved the Union asthey profess to do, they would recollect that

asthey profess to do, they would recollect that here is a North as well as a South; that there are free men who abominate Slavery, as well as slaveholders, and that moral centiments will in the long run triumph over political or commer-Wm. Bacalay, Boort Dunap, Jr. Robert Dunap, Jr. Robert Dunap, Jr. Marking Stratt, Irano M. Ivennock, Walfor Fyrat, Jas M. Cooper, Jahn Shipton cial advantages. By encouraging the South in its aggressions they are fast teaching the people of the North to look upon the Union with the same indifference that Southern men pretend to do, and are thus hastening a calamity they

hypocritically affect to dread. These dough-faces are mistaken if they suppose that love of the negro-that nigger sale Elastic Stockings for Various or Enlarged, Veina, Abdominal Supporters—A dosm different kinds. Pile Props, for the support and curs of Piles, Eboulder Praces to relieve a crock of and defruite dition of the Chest, and many diseases of the Chest. phobia, as they term it, --moves the people of the North. There is, we are glad to say, a widespread and deep abhorrence of the whole system of chattel slavery by which a man is degrat tem of chattel slavery by which a mon is degra-ded to the condition of a thing, stript of all natu-ral, religious and civic rights, and subjected to the absolute will, the ernial tyranny, explainly and the absolute will, the ernial tyranny, explainly and the absolute will the sent to any part of the sentry by sunding the money and measure. inst of an irresponsible master.
