CAPITAL IDEA.—A n6w clock has been manufactured down east to be used in those states in which the Maine Law has been passed. Upon the dial, the figures indicating *eleven* and *four* o'clock are omitted, and thus the happy possessor of the time piece, failing to be reminded of the accustomed hours of refreshment, forgets that he is dry.

THE BAKERS OF PARIS, since flour has become so dear, inlx one part of rice to five parts of flour, and the economy effected reaches the very considerable figure of one sou in a two pound loaf. Spring Stock of Hamburg Pianos.
CHARLOTTE BLUHME,
NO. 118 WOOD STREET,
PITTSBURGH, SOLE AGENT.

THE HAMBURG PIANOS are undoubtedly superior to all others, for solidity of workmanship. The highest testimonials have been received from the most eminent Pianists, such as of approbation from the best artists who have been constantly in the Lon. Philharmonic Concerts, and who have them in their own use, but also from our resident professors.

The following is an extract from a letter of Professor Hanisch, Rohbock, after describing the parlor grand and two of which he wrote to Mr. Bluhme, the Grand and one of the Hamburg Pianos, he thanks as follows of their excellent qualities:

"My little daughter, who plays very well, must, with me, have a good instrument, and yours are the only ones which can satisfy me."

The instruments are offered me on the most accommodating terms, but I do not like to borrow, and have not the slightest temptation to change.

I remain yours respectfully,
HENRY ROHBOCK.
