observation de la company

set up impracticable tests and seek to rally the hosts of freedom under banners abhorrent to their sense of right.

RUINOUS RAILEOAD COMPETITION.—The reduction of fare on the Erie and New York Central Roads went into effect on Moodsy. The Erie will follow the Central in whatever reduction that road makes. This cutting each other's throats will reachably continue until the stockholders of was indeed from the tone of the Eric Constitution. will probably continue until the stockholders of the two roads make their remonstrances sufficliently loud to be heard by the managers of their tached to the railroad interest and opposed to the course pursued in the borough last winter, fellowing remarks upon the subject will either openly or covertly aid in the election

"With a tolerable knowledge of the causes which have brought these railways into collision, we are unable to excuse the madness' which thus

ware, but will yield well to the acre. Fell one-balf the fields of wheat will prove good and the balance will be full as good, if not better then the generality of the fields last year.

LADY KILLED.—We were informed yeaterday that the wife of Col. Reddick, of Uniontown, fell from a cherry trees day or two ago, and expired almost immediately.

MR. DANIEL S. DICKINSON, of New York, once | A correspondent of the St. Louis Republica member of the U. S. Senate, and since then a who writes from Kansas and has all the bluste ery restless member of political society, is of and insolence of the border ruffian about him inion that the Democratic party is not now in thurdsscribes the encounter between Gov. Read wer, and that the Presidential Chair is vacant. | crand Stringfellow:

"There was never a time when the return o

ittle curious, however, in this connection, that in public."

Shille such men as Mr. Dickinson are striving to Gen. S. "Did you speak of me in those terms are read Pixnon as a nonentity, Pixnon should himself be struggling to obtain a second lease of the Gov. B. "No. sir."

Gov. B. "Did you use my name at all?" Gov. B. "Did you use my name at all?" Gov. B. "Imay have used your name in pri-

emocracy but through the reunion of its frag-tents in New York; and in New York the rage the factions appears inappeasable.

The times are becoming critical. General

Gov. R. I may have used your name in private conversation."

Gen. S. "Did you use it disrespectfully! Did you intimate, or insinuate, that I was other than a gentleman?"

Gov. R. "I might have done so."

Gen. S.—"Then sir, you uttered a falsehood, and I demand of you the estifaction of a gentleman. I very much question your right te that privilege, for I do not beliere you to be a gentleman; but I nevertheless give you the opportunity to vindleate your title to that aharseter by allowing you to setlect such friends as you PIERCE is actually intriguing for a re-nomination.

The extravagance of the idea moves to ridicule: The extravagance of the idea moves to ridicule; out while his opponents are laughing, 50,000 cherents—that being the number in office—are working. They must lose by any change, and bey are for Pierce: in other words, they are for themselves.

The chance relied upon by the Pierce men is this. There is not now in the ranks of the party, my more than there was in 1852, a man of such lecided accordancy of character as to combine are overpowering amount of personal support.

this. There is not now in the ranks of the party, ony more than there was in 1852, a man of such secided ascendancy of character as to combine an overpowering amount of personal support. The candidates will be the same; with the expetion of Gen. Cass, unquestionably the first and the ablest of the competitors in 1852. He use been superseded by age. Douglas will be the superseded by age. Douglas will be the great crime and blunder of the day. House ton will stand better than before, because opposed to that infamy, but will loss the nomination, though his sympathy with Know Nothingism.—Maroy and Buchanan having taken no distinct position in these controversies will remain, as in the last struggle, equal competitors against each other and agreement as shows that prince of the horder williand to be a shows that prince of the horder williand to be a shows that prince of the horder williand to be a shows that prince of the horder williand to be a shows that prince of the horder williand to be a shows that prince of the horder williand to be a shows the combined of the horder williand to be a shows that prince of the horder williand to be a shows the combined of the horder williand to be a shows the case of the same are not going to Kansas just now, we have to tell this truculent follow; that he is a radially ecoundrel, and that Stringfellow is the same; if, indeed, the correspondent be not String-fellow himself, as we strongly suspect he is. passe. General Lane is given over by the little coterie who stood by him in '52, and Mr. Dickitons is so far compromised by unsuccessful revolt, that he cannot depend upon the disciplined support which commands success in Democratic Conventions. The presentations of Democratic

germ is seen.
In this state of the game General Pierce will In this state of the game General Pierce will enter the Convention backed by the power and patronage of the Government. He will demand a popular verdict upon his Administration and will offer to compose the strifes of abler men than himself, but who have nothing more substantial than promises of future fivor to dispense. There cannot be a doubt that if Mr. Fillmore had been a Democrat, he would have secured a re-nomination, and it is thought that even the unpopularity of Gen. Pierce may be overcome by a judicious use of the patronage within his control. This is a free sketch of the scheme, and the means for the renomination of Pierce, and certainly, if his party is to prevail, it could have no more faithful representative.

puri Compromise, and this was adopted. no more faithful representative.

The great defect of the President's character.

We judge from the tone of the Erie Constitution

of Mr. Finney.

missouri Compromise, and this was adopted to the Missouri Compromise, and this was adopted to more failth or presentative.

The response a portion of the eastern delegation without and organized an ewe State Council. This is the account the Pittsburgh delegates bring home with them.

As near as we can make out, the whole Ne. The section. In rejecting this section, however, the majority do not admit that they have yielded their connection with the National Connection with the National Connection with the National Connection with the National Content. The presentative and the proposed and the pro

s great deal of allowance.

with all its hiscone preceptiveness and bigotry, is to be the great and paramount queetion with them; and whatever and always to have interests distinct (and perhaps discone process of the Grider.

We had hoped, too, that those who lay claim to mett it in repudiating a pro-slavery platform would have had the housety to repudiate all connection with those who made it; but in this, also, we are domed to disappointment. The act is rejected, for local reasons, because the county inflices can only be reached in that way; but the actors are still lungged to the boson as brethren, for national purposes; for are there not fat diffices in the gift of the President to be elected in 1856, as well as in the gift of the people? Thus there are two masters to serve. It is the dear North, they was, nutil after the October election; and next year the blessed Union will be to save at the expense of rielding something to our dear southern brethren.

And thus, all the good expectations of the more Republicans of the North are brought to subtract the proof of the North are brought to subtract the response of rielding something to our dear southern brethren.

And thus, all the good expectations of the more Republicans of the North are brought to subtract the therm were the foundation of being made by its advecates. They must bide their tune; and if the North falls a violent to distinct the following the comments of the first and of the proof can never be brought to embrace it for the sake of the translet anti-elsavery professions made by its advecates. They must bide their tune; and if the North falls a violent to first the first and of the first that the people to the best decided the proof can never be brought to embrace it for the sake of the other than the proof of the manter of the proof of the manter of the manter of the proof of the manter of the proof of the manter of the first of the proof of the proof of the proof of the p

ATO DR. M'LINE'S CHEMARIAD LIVES PILLS:

87 Reing unwell, and not knowing whether it proceeded from derangement of the lives or morely hydricing. I was permanded to purchase a box of Dr. M'Lane's Cokbrated tives Pills, and before I used a hem all was entirely relieved. I am now eajoring perfect health, and cheerfully recommend Dr. M'Lane's Celebrated Liver Pills to all similarly stilleted.

New York, March 25, 1852.
P. 8. The above valuable remedy, also Dr. M'Lane's Celebrated Vermifuge, can be had at all respectable Drug Stores in this city. The St. Louis Intelligencer says that the ren-contro between Stringfollow and Gov. Reeder fully reco

There is no pretence, in this case, that's reduction of fare is either necessary or expedient. On the contrary it is conceded by those who construct railroads, that they can too little money. A large portion of the capital thus invested has been in partial than invested has been in partial than invested has been in partial tensity in the computation of fare. And from the reductions now proposed, our own citizens derive no benefit, it being a mere contest for the Western travel."

Thus these reads suicidally act, after holding convention after convention in connection with the first of the first o

Thus these roads suicidally act, after holding convention after convention in connection with the other great trusk lines, for the purpose of establishing a system of fares, and equitable business arrangements generally. Faith is thus broken with the other companies also, and incidentally the whole railroad system is more or less liqued, and is likely to be thrown beok into the crippell position from which it was thus beginning to recover. Efforts have been made to heal the widesing breach between the Central and the Rrie Railroads, but thus far without effect.

The Massillon News says that several farmers have commenced barvesting in that neighborhood and the report as to the yield of the grain is favorable. The News says that, notwithstanding the several, there will be considerable above an average crop. The Start Co. Desocrat also says the weevil, there will be considerable above an average or op. The Start Co. Desocrat also says the weevil, there will be considerable above an average or op. The Start Co. Desocrat also says the weevil, there will be considerable above an average or op. The Start Co. Desocrat also says the weevil, there will be considerable above an average or op. The Start Co. Desocrat also says the weevil, there will be considerable above an average or op. The Start Co. Desocrat also says the weevil has done but little damage to the crop.

The Greatest Medical Discovery OF THE AGE.

said a portect cure is warrested when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start stone walls, should cure every humor in the system; yet it is now a fixed tact. If you have a humor (tithasto start. There are no ifs nor ands, hums or have about it ruiting some cases and not yours. I publical over a thousand bottles of it in the vicinity of Boston. I know list effects in overy case. It has already done some of the greatest cures ever done in hisseachnestics, I gave it to children's read old; to old people of sixty. I have seen poor, puny, wormy looking children, whose desh was soft and fisbly, restreed to a perfect state of health by one bottle.

To those who are subject to a clot headache, one bottle will always cure it. It gives great relief to extarrh and dixinnes. Some who have been costite for years, have taken and been regulated by it. Where the body is sound, it work quite easy, but where there is any derangement of the functions of nature, it will cause very singular resilings, but you must not by pictured—they always, diampear in from four days to a week. There is may retain a permitted in the old of the most entravariant encontiums of; it that man ever listened to. No change of diet is ever necessary—at the best you can get.
