GAZETTE—CITY DEPARTMENT.

PITTSBURGH:

MONDAY MORNING, JULY 9, 1855.

GRAND LARCENY.—A man named Thomas Caldwell, was committed to prison on Saturday by Mayor Adams, on a charge of stealing thirty-seven dollars from Morits Noble, a German.—The prosecutor alleged that the defendant, a few nights since, entered his room, at a house on Federal street, Allegheny, and took the money out of a trunk. Fourteen dollars of the sum were found in his possession when arrested. He stated that his parents resided near Fort Wayne, Indiana—that he was desperately in love with a girl in Allegheny—that she wanted some cash from him, and having none, the intensity of his love compelled him to resort to a dishonorable mode of procuring a few dollars. He added that he purchased several articles for the lady with a portion of the "needful," which pleased her highly. Poor fellow! We sympathize with him!

FEMALE SHOT.—The Monongahela *Republican* states that a lady named Mrs. Allman, of Pikerun, Washington county, got shot in a very singular manner, a few days ago. Her son-in-law, Mr. Carson, had been out gunning, and, as he alleges, put a ball down before the powder. He took the gun to his father-in-law, Mr. Allman, and after pouring in water, took off the breach, when the ball was visible, and no powder was to be seen below it. He heated an iron to melt out the ball as it could not be driven up or down. When the ball melted, the gun went off, and the ball, passed through a chair and struck Mrs. Allman in the small of the back. Drs. Biddle and Cotton were called and probed the wound into the bowels, where the ball is lost. As yet, Mrs. Allman is in a fair way to recover.

SHOT HIMSELF.—On Tuesday last Mr. Joseph Buffington, residing near Beallsville, Washington county, committed suicide by shooting himself through the heart. He was to have been married on the next day, 4th inst. The parties were of the highest respectability, and the cause of the sad affair remains in mystery.

LODGE MEETINGS.—The members of the American party of this county meet in their respective wards, boroughs and townships on Saturday next, for the purpose of electing delegates to the county convention, which meets at the Court House on the 18th day of the present month.

FEMALE KILLED.—We learn from the *Times* that Mrs. Winters, wife of a farmer residing in Snowden township, came to her death on Thursday evening, by falling from a cherry tree, on which she was engaged picking fruit. She was *enciente* at the time.

DR. DELANY states that upwards of one hundred and fifty colored persons have left this city for Canada within the past six months, and that many more would have gone, had they not lost their means, (25,000,) which they had deposited with a broker.

DISCHARGED.—On Saturday morning, two young men named John McClain and Alexander Forsyth, who had been sentenced three months for riot, were discharged by Judge McClure, by filing bonds to pay the costs and to take the benefit of the insolvent law. Their term of imprisonment had expired.

AVERY COLLEGE.—The first annual commencement of the Female Department of Avery College will take place on Wednesday night, at the College buildings, in Allegheny city. The exercises will consist of dissertations in English and French, interspersed with music.

NEW BROKER.—A few days ago a little son of Mrs. Hamilton, residing in the forks of the Youghiogheny river, had one of its arms broken at the raising of a stable. The fracture is so bad that it is thought the limb will have to be amputated.

HABEAS CORPUS.—Peter Weaver, who has been in jail for the past three or four weeks on charges of riot and assault and battery with intent to kill, on oath of Valentine Felger, was taken before Judge McClure, on Saturday, on a writ of *habeas corpus*, and admitted to bail in $2,000.

LARCENY.—James Boiling, a young man, was arrested in Allegheny on Saturday, on a charge of grand larceny. We understand that on Friday night the defendant entered the rooms of several boarders at a house in Manchester, and rifled their pockets of sums of money amounting alto gether to twelve dollars. A part of the stolen property was found in his possession.

BEING REPAIRED.—Workmen were employed on Saturday in repairing the Aqueduct over Allegheny. The foot-walks are to be re-laid, and the piers are to be covered with timber, preserve them from action of the water, and the wood.

INJURED.—A man named Franklin Corley, bridge builder on the Pittsburgh and Steubenville Railroad, received some severe flesh wounds on the 4th, at Steubenville, by the premature discharge of a cannon.

WATCH STOLEN.—A German had a silver watch, valued at $16, stolen from him on Saturday evening, whilst engaged in a fight at the canal bridge, on Penn street. No arrest.

SELLING LIQUOR ON SUNDAY.—On Saturday Justice McKee, of Birmingham, fined John Nusser fifty dollars for selling liquor on Sunday.

MAN DROWNED.—A German named Brooks, was drowned at the Monongahela City wharf on Thursday evening, while bathing in the river.

JOHN MILLER, of Birmingham was fined fifty dollars on Saturday morning, by Justice McKee, for selling liquor on the Lord's day.

THERE was but one occupant in the tombs last night. He was committed for five days for disorderly conduct.

BIRMINGHAM, June 16.—Other suspensions, in addition to those already announced, have occurred within the last few days in South Staffordshire. Messrs. Whitehouse and Jeffories, of the Phoenix Iron Works, West Bromwich, have issued circulars calling their creditors together at the Queen's Hotel, Birmingham, on Friday next, for the purpose of determining the course to be taken with the view of managing and distributing the assets of the estate. The creditors of Mr. Jefferies from master, of Hart's hill works, were also summoned for the same day and for a like purpose. The debts and liabilities of the two concerns, which to some degree are understood to be connected, are roughly quoted at about £100,000.

A thirty ton of some standing and well known in the trade—that of Messrs. Hickman, of Bilston—has been compelled to ask indulgence from their creditors, and a meeting has been called to adjudicate upon the state of their affairs. And lastly, Mr. Joseph Spencer, ironmaster, who is involved by the failure of his brother, Mr. Thomas Spencer, is endeavoring to negotiate an arrangement with the claimants upon his estate, which, it is hoped, will realize 6s in the pound. Other firms are freely spoken of, but sufficient for the day is the evil thereof.
