TELEGRAPHIC

CONVENTION, Sept. 19.—The Second Annual Convention of the Young Men's Christian Association of the United States and British provinces was held to-day at the Seventh Presbyterian church, Broadway, commencing at ten o'clock.

The attendance included nearly 100 delegates representing societies in all parts of the Union, as well as the British provinces. The meeting was called to order by Mr. Wm. H. Hoff, of Cincinnati. Mr. J. C. Langston, of Washington, presiding pro tem. The committee on permanent office reported C. C. Langston, of Washington, as president, and a number of vice-presidents. Very interesting statements were made of the condition of the churches throughout the country. The convention will probably be in session for two days.

BALTIMORE, September 19.—The steambest George arrived this morning from Norfolk; the bridge news of an increase of mortality at Norfolk and Portsmouth. At Norfolk there were 45 deaths on Monday, and 20 deaths up to noon on Tuesday; and at Portsmouth Monday deaths occurred between dusk on Monday and noon on Tuesday, and a large number of new cases have occurred at both places. Among the deaths at Norfolk are George J. Upsher, Esq., Mayor Deane, and an other son of the Rev. Smith Joseph Williams President of the Virginia Bank in ill and also John Francis.

CHICAGO, Sept. 14.—We learn from Milwaukee that the steamer Septa stopped at eight o'clock this morning, two miles south of the mouth of Milwaukee river. The latest accounts say that she was on the bar with the waves breaking over her. Men, women and children were seen on board. The steamer probably got to pieces unless the storm abated.

RECORD DISPATCH.—The rates and prices of commodities were drawn. All the others are saved. Her cargo consists of 500 tons of merchandise and 50 horses. The ship's stock took a collection for expenses, and from Buffalo to Chicago.

NEW YORK, Sept. 19.—There are no tidings of the Baltic. Weather clear and cool.

MIDDLEBURY, Ct., Sept. 19.—The National Universal Convention commenced to-day. Governor Trull of Vt., is elected moderator. The Grand Convention of the State of Vermont is in session at Middlebury.

BALTIMORE, Sept. 19.—The Grand Lodge of the U. S. has neglected the amendment to the Constitution of the Grand Lodge of the State of Maryland. The action was in a letter to the Grand Lodge of the State of Maryland. The amendment to charge from annual to biennial sessions was adopted. The Grand Lodge of the State of Maryland is in session at Baltimore.

Worcester, Mass., Sept. 19.—There are large numbers of all grades of produce in the market. The market is very active. The prices are very low. The market is very active. The prices are very low.

PROVIDENCE, R. I., September 19.—The store of Dr. Baker, jeweler, was entered last night and robbed of watches, jewelry, &c., to the amount of \$500.

PHILADELPHIA, September 19.—The jury in the case of the bodies of the persons killed on board the steamer General Mead, by collision with a schooner, returned a verdict of manslaughter. The bodies were found in a vessel of the steamer General Mead, by collision with a schooner, returned a verdict of manslaughter.

HANOVER, September 19.—It is stated here that the President of the United States, Mr. Grant, is expected to visit the State fair and Gen. Scott is also expected during the fair.

NEW YORK, September 19.—The dispatch published in the Washington Independent about the demand for export for the State fair, is much less active, medium grades have declined 12c and good extra 12c to 25c; inferior grades have declined 10c to 15c. The market is very active. The prices are very low.

NEW YORK, September 19.—There are no signs of the Baltic which is now in the 12th day from Liverpool. The ship is fully laden and will probably be ready to sail in a few days.

NEW YORK, September 19.—The steamer Atlantic sailed as usual with 100 passengers, \$18,000 in cargo.

PORTLAND, Me., September 19.—A meeting of citizens has appointed committees to procure subscriptions in aid of the sufferers from fever at Norfolk and Portsmouth.

NEW YORK, September 19.—Four heavy rather more inquiry for home consumption, but the demand for export for the State fair, is much less active, medium grades have declined 12c and good extra 12c to 25c; inferior grades have declined 10c to 15c. The market is very active. The prices are very low.
