are more likely to become slaves, upon the Vir ginia platform, than slaveholders. . The Intelli

gener says: "If alwery is 'right, natural and mecessary,' all efforts to cripple it, restrict it, (as by suppress-ing the African slave trade) must be 'wrong, un-natural, and permicious.' Why cruch the African Blave trade? It nourishes a 'necessary' institu-tion !

Then, again. Free Society is a 'cruel failure What think you of that, freemen of all lands? Is freedom, after all, a delusion and a lis?. We government, for the acquisition of Cuba from them in the event of their success. The followask the question only. Let the honest heart of every free man answer it. "Bot, finally, says the Virginia organ of Sia-

ing extract from a letter dated Madrid, Dec. 19. blished in the Independence Belge, indicate that we may soon expect the proofs of this charge: "Lovers of scandal will scon be fully satisfied.

y free man answer it. Sot, finally, says the Virginia organ of Sia- *Propagations*, 'the principle of envery is t, and does not depend on difference of com-ion.' The meaning is, that while men may ell be made slaves an encross! The 'prin-' is right, and does not depend on color !---Virginia politician does not say what gives white man the right to enclave and make a ger' of another white man, but it is evidently r. Power must win, and it always will. It upon 'principle.' If, therefore, the citizens 'ennsylvania should make a descent upon tinia, (in a quarrel about elavery.) and anbas well do made slaves as negroes! The 'prin-The Virginia politician does not depend on color.
