BALBIRNIE'S NIPPLE LOTION has been used in the most extensive and successful manner for the distressing pains endured by many Mothers and Nurses from sore Nipples. It was discovered and prepared for her own relief and cure by the nursing mother of seven children, and has ever since been used in the family of the sacrifice, and many other families with the happiest results, in the elevation and removal of the severe suffrings which arise from CHAPPED OR SORE NIPPLES, &c., dispensing entirely with the repulsive, disgusting and often painful practice of applying oils, ointments, salves, and other greasy fatty, or unctuous matters. This Lotion is also soothing, healing and pleasant to the mouth of the Infant. *Once Tried,* it is believed from past experience, will suffice to convince the most sceptical of its invaluable properties of the Lotion, and ensure its just appreciation and general use.
Full printed directions for use at 75 cents a phial. As a guarantee of genuineness, every phial will bear the signature of the Inventor on the wrapper, which purchasers should notice before purchasing.
