BALSBRNIE'S NIPPLE LOTION has proved an effectual and speedy cure for the distressing pain endured by many Mothers and Nurses from Sore Nipples. It was discovered and prepared for her own family and cure by the subscriber's venerable mother, aged 70 years and more, and has ever since been used in the family of the subscriber, and many other families with the happiest results, as in the alleviation and removal of the severe pains which arise from CHAPPED OR SORE NIPPLES, &c., dispensing entirely with the repulsive, disgusting and often painful practice of applying oils, ointments, toasted, and other greasy salve, or nostrums and quackeries. The lotion is also soothing, healing and pleasant to the mouth of the infant. Numerous testimonials, of the most satisfactory nature as to convince the most sceptical of the Invaluable Properties of the Lotion, and ensure its general use, may be seen at the office.

Put up in pints (with directions for use) at 75 cents a pint, and in bottles of smaller dimensions, every label will bear the signature of the subscriber on the wrapper, which purchasers should look for before purchasing.
