KANSAS ALD MEETING.

The citizens of Allegheny county who are favor of freedom in Kansas, are requested t meet in Franklin Hall, Fifth street, apposite the Theatre, on Monday evening, Feb. 18, at 7 o'clock erate as to the best means of extending aid to the straggling citizens of Kansas, and concert such measures of relief as may be thought most practicable. A general attendance of all who sympathi

in the object of this meeting, is requested. Republican Editorial Convention.

Republican Kditorial Convention. The Republican Kditorial Convention. The Republican Kditorial Convention. The Republican Kditorial Convention. The Parsing will be and the fill as the stardament is the will live to prove the correctness of that the figure is and by the is all regulatorial the stardament is the will live to prove the correctness of that the stardament by the is all regulatorial Convention of the stardament is the will live to prove the correctness of that the stardament by the is all regulatorial Convention of the stardament is the will live to prove the correctness of that the of arrangement. The Parsing will be and the stardament is the starda ment. This sppears all right on its face, but when examined in view of the real facts of the and with economy in expenditure, there is a con-man. All attempts at deception should be avoid-the laws existing in the beginning of the con-test, and had thus prevented an inroad of bor-der ruffians at the first election, there would have been propriety and fairness in enforcing laws enacted by the legally constituted legisla-tors, elected by legal voters. But after neglect-tors, elected by legal voters. But after neglect-tors, elected by legal voters. But after neglect-til one party by illegal violence had obtained the laws on the first instance, un-til one party by illegal violence had obtained the laws on the size of produces the first provide the size of the size of the little sub violence the size of the little sub violence tors, elected by legal voters. But after neglect-tion the size of produces and integrity, and thus a suding another to the sud integrity, and thus scattered along the shalf of me adventure in killing enow birds are not the size of produces of the orbit a summer to see again-met. All attempts at deception should be avoid. The very will be avoid to be size of the size of a woman's thimble. If the products of the orbit diffing enow birds are in constant thang to enforce the laws in the first instance, un-til one party by illegal violence had obtained til one party by illegal violence had obtained e power, and had passed isws which start out the ambitious and the enterpriswhich inflicted on the other party intolerable oppression, the threat now to enforce such bogus laws only subjects the President to the hatred piects the President to the naired had speculation, as by the want of principle and the President's position for the followerty which has characterized his ca-

made these laws to be imposed upon the people
