HARMONIUMS AND MELODEONS.

H. KLEBER & BRO., have received and for sales lot of the above instruments which they warrant every way of superior to any others made.

Harmoniums with 8 stops made by SCHIEDMAYER, Stuttgard, Germany.

Melodeons with 3 stops by Trayser & Co., Stuttgard.

These instruments have been examined by the Professors and amateurs of the two cities who pronounce them, in point of volume and sweetness of tone, fully equal to any small Church or parlor organ. The former are so beautiful that a child of eight years can work them with ease.

MELODEONS MADE BY GARHART & NEEDHAM

2 " " " " " "

It is almost superfluous to say anything in their favor. The senior partner, Mr GARHART is the original inventor of the Melodeon and the superiority of his instruments has never been questioned. They receive orders for them from all parts of the world. One of their last and most important improvements is the SOSTENENTE, which, while it increases the volume affords the player greater variety of effects. Purchasers are requested to examine and convince themselves of the superiority of the above, which will be sold on the most reasonable terms by H. Kleber & Bro., No. 33, Fifth street.

Also, a fresh stock of NUNNS & CLARK'S and other Pianos on the way. jan1

CHERRY PECTORAL

TO CURE A COLD, WITH HEADACHE AND SORENESS OF THE BODY—take the Cherry Pectoral on going to bed, and wrap up warm, to sweat during the night.

TO CURE A BAD COUGH, take it morning, noon and evening, according to directions on the bottle, and the disease will soon be removed. Those who are living suffer from this trouble when they find it out, so we readily convince them of its virtues. Those who have used it recommend them to their best friends, and they in turn, by taking the Cherry Pectoral on going to bed, find they be sure of good rest, and by its use find a speedy and consequent refreshing rest. Great relief from suffering, and ultimate cure, is sure to follow its use, and no one can be disappointed by trying it.

From its agreeable effects in these cases, it is highly recommended to Mothers, who will find the necessity for it by their children.

FOR HOARSENESS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken to small quantities frequently during the day, it is taken to small quantities frequently during the day, it is taken to small quantities frequently during the day, it is
