GREATEST IMPROVEMENT YET!
NEW SCALE.

H. KLEBER & BRO.,
Have Received a small lot of
NUNNS & CLARK'S
PIANOS,
PROVIDED WITH THEIR NEW SCALE.
THIS IS THEIR LATEST and undoubtedly the most important improvement as yet made to the PIANO FORTE. The POWER of the instrument is almost DOUBLED thereby, and in point of volume, evenness and brilliancy of tone, far surpass anything as yet produced. They possess all the precious qualities of the GRAND PIANOS without any of its disadvantages. We now challenge comparison with the first-manufactured of any other maker, in its equality, promptness and power, and will submit the question to the decision of the public, feeling confident that every unbiased judge of the article will at once admit their superiority. The public is respectfully invited to visit their warerooms and test their instrument, or send for an illustrated circular.
