TO FARMERS, DAIRYMEN AND TANNERS—For sale, 476 acres of Land, in Westmoreland county, 50 miles (2 hours ride) from Pittsburgh, and 14 miles from Hillside Station, on the Pennsylvania Railroad. About 40 acres are cleared; good tillable land, some of which is a long House and Barn. It is well adapted for the raising of fruit, or it would make an excellent dairy, grazing, farming or tanning farm, and the place being well supplied with the best water. For further particulars of the finest timber on the premises, consisting of Chestnut, Chestnut Oak, Bark timber, White Oak, Poplar, &c. It is well worthy the attention of Tanners, as the bark can be sent to Pittsburgh, by either railroad or canal. The timber alone is worth more than the price asked, and most of the land would afford a handsome return when cleared.

CHERRY PECTORAL

TO CURE A COLD, WITH HEADACHE AND SORENESS OF THE BODY—Take Cherry Pectoral on going to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon and evening, according to directions on the bottle, and the difficulty will soon be removed. None will be disappointed in this treatment when they find it out, so as readily cured.

Persons afflicted with Asthma, should not despair of their restablish, will find by taking the Cherry Pectoral, according to directions, a cure will be effected, often in less, and consequent refreshing rest. Great relief from suffering, and ultimate cure, in the following cases, who are thus afflicted, by this invaluable remedy.

From the severe effects of Hoarseness, many find themselves unwilling to forego its use when the necessity for it is removed.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small doses frequently, it clears and strengthens the voice, and wonderful y increases the power and flexibility of the tone.

ASTHMA is generally much relieved, and often wholly cured by Cherry Pectoral; but there are some cases so obstinate as to yield entirely to no remedy. Cherry Pectoral will cure them if they can be cured.

BRONCHITIS, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

FOR CROUP—Give as much as will cause a full vomit of antimony, to be followed by large and frequent doses of the Cherry Pectoral, until it subdues the diseases. If taken in season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured by the use of Cherry Pectoral.

THE INFLUENZA is speedily removed by this remedy. Numerous cures have been effected where whole families were protected from any serious consequences, while their neighbors without the Cherry Pectoral, were suffering from the disease.

Repeat d instances are reported here of patients who have been benefitted.

LIVER COMPLAINTS by this remedy, so many that there can be no question of its beneficial powers in these diseases. It should be perseveringly taken until the yellow appearance of the complexion disappears.

CONSUMPTION in its earliest stages, it should be taken under the advice of a good Physician if possible, and in every case with regard to the directions and restrictions on the bottle. If judiciously used, and the patient is carefully nursed, there is but little room for fail to subdue the disease.

For confirmed CONSUMPTION in its worst form, the Cherry Pectoral should be given in doses adapted to the case of the patient requires; and can, bear. It always affords some relief, and will frequently surely make a cure in the confirmed past all cure. There are many thousands scattered all over the country, who feel and say that they owe their lives and present health to the Cherry Pectoral.

Many years of trial, and the unvarying healing the public confidence in this medicine, has won for it an unbounded and universal popularity, and its sales have increased beyond the most sanguine hopes of its friends. Nobody here recommends it as a safe and *UNEQUALLED physic* for Physicians carry it with them.

CHILDREN will TAKE NO OTHER

after one trial, and parents should use no other in their families. People living in town and remote countries, subject to deadly miasmas, where fevers, Ague and Fever, and bilious complaints are more apt to be, will find the Liquid Cathartic to be the most potent remedy yet discovered. Give it a trial.

MEDICINE.

THE Celebrated Holland Remedy for Dyspepsia, diseases of Kidneys, Liver Complaint, Weakness of any kind, and the various affections arising from a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Palpitation of the Heart, Flatulency, Want of Appetite, Despondency, Costiveness, Blind, Itching or Bleeding Piles, all Nervous, Rheumatic and Neuralgic Affections, this Medicine has numerous instances proved beneficial, and in others effected a decided cure.

This is a pure vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland professor, Boerhaave. It has always been used in most of the European States, its introduction into the United States was intended more especially for those of our fathers who have resided there and have felt the want of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of rum, and as a generally humanizing instrumentality in effect. It finds it way directly to the seat of the disease, it tones the stomach, gives vigor to the digestive organs, purifies the blood, and, in fact, infusing new life and vigor in the system.

WEAKNESS OF THE STOMACH AND INDIGESTION.

Another Great Cure Effected by Boerhaave's Holland Bitters.

The wife of Pieter De Witte, living in Holland Row, Rhebygran county, Wisconsin, suffered much from Weakness of the Stomach and Indigestion, for which she used a physician's care for some time, but the disease seemed to gain strength in spite of all his skill. She purchased some HOLLAND BITTERS at our office, which has given tone to her stomach, and her digestive organs are returning, and we firmly believe that this is another case of the most confirmed dyspepsia.

We have still to record many wonderful cures effected by this remedy, but must wait another opportunity. One case of *EPILEPSY HOW LONG STANDING*

This popular and specific remedy is now offered to the afflicted and guaranteed to cure all the above complaints. It searches out the very roots of the disease, driving out all the diseased fluids of the body, thus removing the cause and rendering the cure certain and permanent.

This medicine always pain and inflammation, which other remedies invariably cause, and can be taken with less trouble and expense to patients. This infallible remedy has thousands upon thousands of cures from the hands of *Mercurius Caucalis*, if not from mercurial poisons, or destruction, the Compound Buchu is the only article worthy of the attention of invalids. It is purely vegetable. Safe cures.

There is also no narcotic mercury, or other injurious drug but is a purely *Vegetable Composition*. It is very agreeable to the taste, creates no nausea or sickness, and may be taken by persons of either sex without hinderance from business. In all cases, no matter of what standing, if directions are strictly complied with, a cure is certain to follow. Those who know me as a professional man will not doubt its worth.

HAYES'S ANTI-DYSPEPTIC AND DEBILITY CURED.

Theodore Frank, Esq., of the Philadelphia Sun, and Steibwig Railroad Office, says:

"For years I have been an invalid, from Dyspepsia.—With a hope of relief, I resorted to many advertised remedies, but failed to derive the benefit sought for, until I tried your HOLLAND BITTERS, the happy effects of which, upon the digestive organs, and in restoring the debilitated system, cannot be questioned or controverted by all suffering from Dyspepsia.
