DAss. Y-Eiz Dollars for annum, perable in a WERKLY-Two Dollars for annum, in ad itabs will be supplied on the Bolowing conditions four Oppies per assum free Oppies per assum for Advance per ments are strictly required, agent dopped when the rear is out, unless it is payable in adva

ican Declaration of Principles. FOD BY THE PITTSBURGH CONVENTION. mand and shell attempt to scours the repeat of uch alice the introduction of slavery into ter-scourserted to freedom, and will resist or accuserized to freedom, and will resist or Bates. awful means our brethren al and manly resistance to lawless invaders, and will theat power in favor of the s to the Union as a free, ndependent Eista. ing that the present pational administration itself to be weak and Willings and that its con-power is identified with the progress of the is onational supremacy, with the axis con-ment the territry, and with increasing civil diff isoling purpose of our organization to oppose

govern this city. Such a work need take up but on t-door culture, without protection. We will little space, and could be published at a price give our own observations as soon as the season which would secure its general circulation. If has completely developed the effects of the winthe tax-paying eitizens, who are suffering from ter. the neglects and delinquencies of officials, had such a digest constantly at hand, they would not

To come back to the streets. Ordinances are in existence requiring good brick paved side-valks to be kept up on every paved street in the oity. Section 12th, of an Ordinance relating to cart-ways and foot-ways, (digest, page 267,) ces now imposed upon them.

cart-ways and foot-ways, (digest, page 267,) says: "That when the cart-way within any public square, street, lane or alley within this city hath been paved, or hereafter shall be paved, with stone agreeably to the ordinances of the city. recry owner of the lot or lots of ground opposite to such stone parement, shall, without DELAT, at his, her, or their own cost, cause a foot-way in front of such ground to be paved with brick, and supported with hewn ourb-stones and KEBP THE hand it is forther provided, that if the owner shall refuse, after twenty days notice, to pave or repair such side-walks, then the Street Comm missioner is authorised to proceed to perform the work, to pave or repair such foot-walk, and to collect the same off the owner, by the sort all the street Com-missioner is authorised to proceed to perform the work, to pave or repair such foot-walk, and to collect the same off the owner, by these province, and our claims and petitions with twenty per coat. advance. By these pro-tice was pave. The Westmar Aktorutoward. "The Westmar Aktorutoward."—This is a

visions ample power is given the Street Commisrisions ample power is given in a state of the city in sioners to keep all the foot-walks of the city in journal of agriculture and horitoulture, started Let the many broken, dilapidated, uneven and langerons foot-walks in this city, answer. There dangerons foot-walks in this city, answer. Anere might as well be no ordinance in existence, for all the good it apparently does, for the owners of property take their own time and convenience for paving and repairing, regardless of the con-tor paving and repairing, regardless of the con-tor bar to the second seco

his own and his neighbor's comfort, and was too some pride in the appearance of the oity, will go to the expense of a good fisg-stone pavement, while probably near him some pennrious person and observation. In this way much valuable and observation. In this way much valuable will refuse to repair a pavement, so bai as to be a perpetual nuisance, especially in bad weather. We hope, for the credit of the city, that the

front of their

WHE WHETER of '56 has blighted the Awithat hopes of many a horticulturist, and laid waste with oracl severity the tender products of his labor. Those who fondly trust that the life-giving sums of May will freshen and clothe in

giving sons of May will freehen and counte in green the charred branches of a favorite tree or shrub, will meet with sad disappointment; at present it is impossible to calculate the extent of the injury done by the cold and field mice. In one nurrery in this vicinity 10,000 pear trees alone have been killed. Young evergreens, roses and shrubbery, have perished beyond all estimate. The fruit trees which were too large to be injur-ed by the frost have been girdled by the mice. The contents of several commercial greenhouses The contents of several commercial greenhouses have been entirely frozen. The spring is still

retarded by cold and snow. All the grape vines in this locality which we have examined, are frozen to the ground. — Pittburgh Agriculturiat. It is true that the effects of the late cold winter have been exceedingly destructive, and they are well calculated to dishearten beginners ombining extreme lightners, ease and durability, sith cor in this locality which we have examined, are frozen to the ground. -- Pittsburgh Agriculturist.

UNE OFFRENTS AGAIN.—The present disgrace-ful condition of our streets is attracting more than ordinary attention to the ordinances regu-lating them, and to the manner of their enforce-ment. We referred to the filthy condition of the streets, a few days ago, and we pow pro-bate diseast of the laws regu-lating the streets, and the duties of Street Com-missioners. And here we would remark, in passing, that it is high time that we had a com-plete diseast of the is the streets, and fowering shrubs, roses, and some lets diseast of the is the streets, and the duties of Street Com-missioners. And here we would remark, in passing, that it is high time that we had a com-plete diseast of the is the streets, after the streets of the streets of the is a discovery with the that we had a com-plete diseast of the is the streets of the streets of the is the streets, a few days ago, and the duties of Street Com-missioners. And here we would remark, in passing, that it is high time that we had a compose to call attention to some of the laws regu-lating the streets, and the duties of Street Com-missioners. And here we would remark, in passing, that it is high time that we had a com-plete digest of the laws and ordinances which govern this city. Such a work need take up but

SECRESION .- The inhabitants of the "Panhan o patiently put up with the nulsances and inand uniting themselves to Pennsylvania. The

change. So far as the Legislature is concerned, we have been reduced to the condition of a more tributary province, and our claims and petitions have alike been treated with contumely, neglect and contempt. There is not another State is and contempt. There is not another State is tacle as Virginia in this respect." "The Wayner Aground and the state is a journal of agriculture and horticulture, started some size months ago in this city by David Description for the state of the state of the state Description of the state index of the state of the state of the state is a state of the state is a state of the state is a state of the state state of the state state o

It is also made the duty of all the officers of the police, and all other officers concerned in the execution of the laws and orders named, to see that these provisions are observed, and inform on all who disobey them; and it is made the "special disty" of the street Commissioners, to go through their respective districts once every month to see that these ordinances, and all oth-fally obsed; and if they, or isay other confloer, whose duty it is to enforce the laws, shall ne-glect or rofuse to perform the several duties whose duty it is to enforce the inws, shall ne-glect or refuse to perform the several duties frame fine of the splane-berein required of him or them, or shall neglect or refuse to inform of any nuisance or violation or refuse to inform of any nuisance or violation to refuse to refuse to inform of any nuisance or violation to re of the ordinances of the city which may come to and one of the vol's. of Harper's Classical library. his knowledge, he shall forfeit and pay for every It only needs to be announced to the literati a sach offense, the sum of twenty dollars, and be also the U.S.

sach offense, ins sum of upening donline, on be dar liable to be removed from office." If the street Commissioners were to be fined twenty dollars for each and every neglect in this behalf; it would take the fortune of a Girard to the boy that could read this book and not feel liable to be removed from office." twenty dollars for each and every neglect in this behalf; it would take the fortune of a Girard to pay the fince, and their liabilities to be removed from office are so accumulated, that their remo-ral could no longer stone fortho violated laws. From the above extracts it is seen that there are laws in existence of sufficient stringency and efficiency to secure to the whole improved parts of the site. Where the streets are paved, good, From the above extracts it is seen that there are laws in existence of sufficient stringency and efficiency to secure to the whole improved parts of the sity, where the streets are paved, good, smooth and clean foot-walks. The defect is not in the laws, but in the utter neglect of their en-forcement. The citizen are larged to discharge. Now where is the remedy I it is in the hands of the ditisens themselves. If they resolve no longer to submit to such gross imposition, let them bring the nuisences and neglects which ever the Street Commissioners or the police, and if these officers refuese to discharge their daty there are and neglects which ever the Street Commissioners or the police, and if these officers refuese to discharge their daty there are active to discharge their daty there are and registed to the police, and if these officers refuese to discharge their daty there some she will discharge their daty there are active to discharge their daty there refuese are active the statute book work a core, addrees a polition to Connells for the irremoval, that their places may be supplied by persons who will discharge their daty to become a dead letter on the statute book while clothes, houses and carpets are dragged to become a dead letter on the statute book while clothes, houses and carpets are dragged

rdinance we have recited, and if this does not sork a cure, address a pedition to Councils for heir removal, that their places may be supplied by persons who will discharge their duty. Isi piperance of the streets, and then permit them o become a dead letter on the statute book, rhild estreywhere present themselves to notiest while clothes, houses and carpets are draggled

pstually disgnsted with the sights and smells which streywhere present themselves to notice; Again, we say, let us have improvement. Ms. Buomasa's BD yos THE Southess Vers. -Bone discussion having taken place up-on the position of Mr. Buchanan on the Kansse Nebrake Bill we are permitted to copy the full stress have bay to be the people will begin to think that there is something of more moment to their well-being howing curset field, dated 1 obdon, on
