gialature of Kansas assembled and adjourned, the difficulty, now so much exaggerated, was easily explained, and especially under the au-thority of revision which had been confided to a Committee, and subsequently delegated to the Schators elect, of which Col. Lane was one. Bat he considered the whole pretended objection unworthy and "petifogging." The parts of the original memorial which had been omitted involved points of constitutional law about which no two men in this body thought alike. Insemuch as Col. Lane could not de-fend himself, he thought bim entited to this testimory upon the piala showing which bad The Africa strived at Liverpool 4 P. M., of Monday, March 81st. When off Holyhead the Africa made a signal to the shore—"ao tidings of the Paoldo"—an announcement which was immediately telegraphed to Liverpool and Lon-don, and served to extinguish the hopes of the most sanguine in regard to the safety of the mis-sing ship. most sanguine in regard to the safety of the mis-sing ship. The Baltic brings the news that peace was signed at Paris on Sanday, the 30th of March. The event was announced in Paris and London by saivors of artillery. Paris was illuminated, and in England the church bells were pealed. Three or four weeks must elapse ere ralifica-tions of the treaty can be exchanged. Details of adjustment are referred to a commission. The great event of peace has swallowed up all minor subjects of news. For details we refer to the following extracts from our European despatches and fires. BIGNING OF THE TREATY.
