BLACK SPANISH FOWL—EGGS FOR HATCHING—Being unable to supply the demand last season, we increased our facilities, and are now prepared to fill all orders for the eggs of this favorite fowl FROM PUREBRED STOCK, as writer in the Boston Cultivator who has had experience with them in England, says—"the fowl has no equal for laying they are unsurpassed. Their eggs are large. They stand first as a market fowl. Although their plumage is a glossy black, their flesh is the purest white, sweet, juicy and of a delicate flavor, rendering them a great favorite in the English markets, as they will soon become with us." The eggs are securely packed in boxes of one dozen each—Price $1. All orders from a distance carefully executed. E. H. SHANELAND & CO. ap16 126 Wood street.
