...ness, fell yesterday over the precipice ...ear the corner of Fulton and Cliff streets, and was so severely injured that his life is despaired of. He fell about fifty feet, his head striking upon the rocks beneath. His left arm is broken. Dr. Gallaher attended the little sufferer, but fears that he cannot survive.

THE AGRICULTURAL SOCIETY.—The regular monthly meeting of this Society was held yesterday morning.

On motion the Society adjourned to meet on Friday morning, at which time the State Society Committee will be able to report whether the money requisite to secure the Fair to be held in this city has been secured.

A DISORDERLY HEARSE.—A number of clergymen are taking their turn in preaching to the inmates of the Jail on Sabbath-days, and though no good result is yet visible, we have no doubt it will be sooner or later. On last Sunday a crazy man became very boisterous, disturbing the congregation. It is to be presumed the congregation were much annoyed.

BOARD OF REVISION.—The County Commissioners came into the Court of Quarter Sessions yesterday morning, and organized themselves into a Board of Revision, as required by the Act of Assembly of 1842. They intend revising the taxes forthwith, and more properly equalise them.

WARLIKE.—A German was picked up yesterday afternoon from a cellar door on First street, beastly intoxicated. He was taken to the Mayor's office, where he was found in possession of a loaded revolver, canister shot, caps, powder and bullets. He was locked up.

PETITION.—A petition is about to be forwarded to Harrisburg praying the Governor to remit a fines imposed upon Walter Dunn (for selling liquor). The prisoner is suffering much and is on poor to obtain his release by paying the fines, which amount to $20 in all, independent of costs.

PARDON OF GREATSNAKE.—We understand that petitions for Greatsnake's pardon are in circulation, and are being numerously signed. Many persons who deem the unfortunate young man deserving punishment, are yet of the opinion that the time to which he is sentenced is too long.

TO MACHINISTS.—We call attention to an advertisement in another column headed as above. It is one of the best chances offered in the country, an abundance of work already secured.—The place is a delightful one, marketing cheap, and access to the city, easy by railroad or river.

FINED.—A man named Joseph Bennet was arrested and fined yesterday, for selling apples on a stall, placed on the sidewalk. The High Constable is determined to have all so offending arrested.

ACCIDENT.—The Blairsville Accommodation train ran into a land slide four miles this side of Greensburgh, yesterday, crushing the engine Crawford so much they were compelled to take another. No other damage was done.

DROWNED.—A young man named Wm. Fry, of Columbus, Warren county, Ohio, was drowned last Wednesday, while running a raft over the dam at Youngsville, on the Brokenstraw.

We would direct the attention of Grocers and others to the large sale of Sugar and Molasses, at the corner of Ferry and First streets, this afternoon at 3 o'clock, by Mr. Davis.

A VALUABLE collection of Books—the Library of a clergyman lately deceased, will be sold by catalogue this evening, at P. M. Davis' Auction Rooms.

BREAK IN THE CANAL.—The Canal at Meadville broke its banks several days ago, doing damage to the amount of $3000.

S. S. SHARE, Esq., has resigned the Superintendency of Common Schools of Crawford county, and is succeeded by J. C. Marcy, Esq.

ARSENIC.—The Argument List in the Common Pleas was taken up yesterday, and many of the cases disposed of.

[From the Boston Saturday Evening Gazette.]

"A Fortune I Expend—While lady or gentleman would remain, under the curse of a disagreeable breath, when by using a few cents worth of Sozodont would not only remedy it even, but leave the teeth white as alabaster? Ladies do not know their breath is bad, and the gentlemen forget to tell them—or your own Lottie will last a year.

"A Fifty cent bottle will last a year.

"A Fortune Conferred may easily be acquired by using Sozodont, or Fortune's Fragrant Flowers." It will remove the "Fortune" of a Thousand Flowers." It will remove the tartar from the teeth, leaving it of a soft, pearly whiteness, and fragrant from the use of Sozodont and sweeter him. Wet a towel, pour on two or three drops of Sozodont and the fine mist will rise instantly.

SHAVING MADE EASY.—Wet your shaving-brush in cold water, pour on two or three drops of Sozodont, and a thousand Hairs will rub the beard and in a moment make a beautiful soft lather and the operation of shaving. Price 50 cents. Sold by all Druggists, New York.

The Greatest Medical Discovery OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pastures a remedy for nine-tenths of the diseases with which the human family are afflicted.

He has tried it in over eleven hundred cases, and never failed except in two cases (both blood relations of his wife) where he has been in constant correspondence for over a hundred certificates of its value, all within twenty miles of Boston.

The bottles are warranted to cure a running sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will scour the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of ringworm.

Two to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the recommended remedies for the cure of the disease, as the cure of a common humor, and yet it is now a fact well known to almost every person in the vicinity of Boston. I know its effects in every case. It will always relieve, and in a majority of cases perfect cures. I gave it to Children a year old to old people of every [illegible]. I have seen poor, pale, wormy looking Children, in a few weeks, become fat, lively, active and perfect state of health by one bottle.

To those who are troubled with sick headache, one bottle will always cure it. It gives great relief to catarrh and consumptive cases, where the lungs have become affected, and been regulated by it. Where the body is sound it works quite easy, but when there is any derangement of the digestive organs, it will cause a powerful operation, but you must not be alarmed—they always disappear in a few days. Those who have used it never is a bad result from it. On the contrary, when that feeling is over you will find yourself realizing a new power. Even some of the most extravagant encomiums of it that ever were uttered, I do not change my diet in ever necessary—the only thing you can drink is tea, here and there, which, when simmered in sweet oil, dissolves Scrofulous swelling of the neck and under the ears. Price 50 cents. *Trial of the Medical Discovery* $1 per bottle.

DIRECTIONS.—For adults, one table-spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea-spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of Scrofula.

Sold, Wholesale and Retail, at Dr. KENNEDY'S, 140 Wood street, corner of Virgin alley, and J. F. FLEMING, Allegheny.

FOR THE CURE OF
Coughs, Colds, Hoarseness, Asthma, Bronchitis, Croup, Whooping Cough, Influenza, Pain in the Side and Breast, Liver Complaint, and Consumption.

THIS medicine is not to be classed with the many worthless nostrums that are daily thrust upon the public, but is the result of many years' study and practice of a physician who has had unusual opportunities for testing its virtues in the diseases for which it is recommended. It is the only medicine for which I have ever claimed any special virtues, and I have no hesitation in saying that it will do all that is claimed for it. I will give advice, gratis, on all diseases, to any who are disposed to call at 400 Broadway, N. Y., between 12 and 2 o'clock, P. M.

Full directions accompany each bottle, and it can be had of R. E. SELLERS & CO., Pittsburgh; S. W. Haverstick, North Hanover St., Carlisle, Pa.

Helmbold's Genuine Preparations.
HELMBOLD'S
HIGHLY CONCENTRATED
COMPOUND FLUID EXTRACT BUCHU
IS a certain, safe and effectual remedy
For Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, Secret Diseases, Obstructions, Female Complaints, and all Diseases of a Delicate Character, whether in
MALES OR FEMALES,
from whatever cause originating, and
NO MATTER OF HOW LONG STANDING.

This popular and specific remedy is now offered to the public, and it needs but a trial to prove to all below complaints. It searches out the very roots of the disease, driving out all the humors, and the fluids of the body, from which the cause and consequence arise common and permanent.

This medicine also has the great diuretic and alterative, which other remedies invariably cause, and can be taken with less exposure than any other medicine known. Thousands have testified to the truth of the above, and thousands upon thousands from the hands of friends, can and will testify to the truth of the above, in cases of infection, the Compound Buchu is the only article worthy of the least confidence of the afflicted in performing a cure.

It contains no narcotic, mercury, or other injurious drug to the system, rendering it perfectly safe in any climate, pleasant to the taste, creates no perceptible odor, and may be taken by persons from fifteen years of age upwards, without hindrance from business or medical advice, as plain directions for use accompany the medicine. Reader, if you have any of the above complaints, do not neglect them. Cures are dangerous.

With this medicine you can cure yourself, and thus prevent exposure.

TRUTH MUST AND WILL PREVAIL.

This medicine speedily and effectually cures the most virulent form of secret disease, and eradicates every particle of the infectious matter from the system, rendering a patient to a perfect state of *Health and Purity.* And as a medicine which must benefit everybody it runs the simply list of symptoms attending the following, all of which it will be found, it acting both as a *Cure and Preventative* of any of the above affections:

HELMBOLD'S
HIGHLY CONCENTRATED
Compound Fluid Extract Sarsaparilla.

The Compound Fluid Extract Sarsaparilla is prepared for the express cure of Mercury, exposure and imprudence in life, Chronic constitutional diseases arising from the impure state of the blood, and the only reliable and effectual remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pimples, Blotches, Boils, Tetter, Ringworm on the face, and all lowly Eruptions of the Skin.

It is gratifying to the proprietor of these medicines to be able to state that it is now nearly three years since they were first introduced during which time they have been extensively used in various parts of the United States, and it is safe to say to patient and practitioner the highest degree of satisfaction in the various cases in which they have been employed; while the writer, in private practice, they have invariably given the most decided and unqualified satisfaction, and produced the most salutary and beneficial effect. Numerous letters have been received from the most distinguished physicians in the country, bearing testimony to the efficacy of these preparations, for such complaints as the proprietor recommends them for. Numerous physicians of Sarsaparilla, Buchus and various modes of preparing them have been given, all of which of course will differ according to the skill and peculiar method which each individual may adopt.

These medicines require considerable care in the preparation, and long experience, of different manipulations in successive operation to take up the extractive matters, and, in fact, every operation requires individual management, and not infrequently much impaired, if not rendered totally inert, by the injudicious and unskillful management of the various processes of the pharmaceutical preparations.

It is, therefore, of the highest consideration and importance to the public that they should be in possession of the best standard preparations of uniform strength and possessing the full medicinal properties. To effect this and obviate the many difficulties which have heretofore existed, I have made a number of experiments to ascertain the most effectual method of extracting the virtues of the Sarsaparilla and Buchu, and to discover the most eligible form for their exhibition. The experiments have resulted in giving to the public the most pleasant and concentrated preparations ever offered. It is with confidence I now offer to the public and the faculty my Compound Fluid Extracts, whereon compare all the virtues of the article they are represented to be made from in a highly concentrated form, and in a new pharmaceutical preparation can be made [illegible] two tablespoonfuls of the Extract Sarsaparilla added to a pint of water is equal to the Lisbon diet drink, and four times the strength of the Sarsaparilla or Syrup Sarsaparilla or decoction as usually made.

Fluid Extract Buchu, $1 per bottle, or 6 for $5.
Fluid Extract Sarsaparilla, $1 per bottle, or 6 for $5.

Certificates of cures and recommendations from distinguished professors and physicians will accompany each preparation. Prepared and sold by
