Mn. CLAY OR SLAVERY IN THE TREETFORMS.— until acon. Four hours of diremitting service Wegave, a few days ago an extract from a speech in the field, following a tollous march of more We gave, a few days ago an extract from a speech of Mr. Webster, to show that in his opinion slavery was a local institution, and existed solely municipal law. It required a positive enact ment to make a human being a chattel, while the Freedom of men rests on natural and inalienable rights. Below we take an extract from a speech of Mr. Clay, delivered so late as 1860, which Freedom of men rests on natural and inalienable rights. Below we take an extract from a speech of Mr. Clay, delivered so late as 1860, which forcibly argues that slavery is not extended to the Territories of the United States by the constitution, and cannot therefore be legally introstitution, and cannot therefore be legally intro-

and daaler particulty spends thereined a clave of the control of t
