franks. There existed

lief they were

THE following from the Daily Post, cannot but !

ted warm applause, and his mention of Mr. Seward was received with a burst of vehement cheers, again and again renewed. The speaker argued that the position of the Republican Party on the Slavery question was that recognized by the wisest and best men of the Republica, from its foundation to the present time.

Gen. J. W. Nye, who offered the resolutions, prefaced then with a speech which was most enthusiastically cheered. He said:

"It seemed to him that the time was rapidly propositing when an intelligent people were to "party. [Applause] Why, necessite paper at the word of "plecting themselves to example the single paper at the wife is the husband gitter. The husband is the nativest, one in fortune. The husband is the nativest proposition of the laws concluder and contact themselves to example the special paper at the womens rights and womens wrongs, are treated woman in department of the speaker, standard disease the seal of the wises and best men of the Republica, from its foundation to the above the following named persons, and others, lost sum avarying from a form the women with and ownens wrongs, are treated woman kind are natural antagonists to each other, is pronounced unnatural and monstrous; as well as the with the married woman, however, that the country bialogue, R. W. Acton, J. W. Williamson, Mr. Curren, Miss Marley, by the with the married woman, however, that the country biants have most to do, as she loses her rights, A. M. Hollingsworth, M. C. Gadmus, C. Myers, M. C. Poterman, Henry Harris, Myer & Myr, and her existence is absorbed in that of her husband and the wife is the husband quite the wife is the husband quite the wife is the husband is the natural representative of his wife in one set of the short wo-thirds are covered by insurance.

J. J. H. He helius was a proposed. The first the second the market woman, however, that the complete the wife is the husband quite the wife is the husband quite the wif tural representative of his wife in one set of dules-the wife is the natural representative of the husband in another. Is the nursery less important than the Exchange, or is it a more dignified business to vote for accounty member than to rule a christian household. In very truth, women are the only born legislators. Only a few hundred men, at best, can have a hand in affairs of State, but every married woman is a Ruler! Even Paul accords them that power. Yes the merest girl of eighteen, a child half an hour ago,

now as a wife, is a lawmaker, supreme and absolute; and yet, most despotic and unconstitutional of monarchs, they weep over infringed rights and powers denied. therefore that they should therefore that they should that charob—now in its organi—lin fact. They came as the ranthese old foes; they trod upon the their fathers trod; they preached—the otrines their fathers proached—doctrines themselves that attracted the universal attention of the world. [Applause.]

Among the resolutions adopted, was the followings.

most of the losses fall upon city companies
The principal choes lose as follows:
Franklin\$80,000 Pennsylvania..... North America..... Delaware Mutual ... Royal Ins. Company

DEALERS IN COAL will find in the appropria column, an advertisement for three hundre thousand bushels of coal, by the Cincinnati Ga Company. This is a contract worth obtaining. A Medicine for the Alllion.-Dr. L. these old foes; they greached the other fathers trod; they preached the other fathers proached—doctrines themselves that attracted the universal attention of the world. [Applause.]

Among the resolutions adopted, was the following:

Recolved, That we have heard with great satisfaction, and statism with a cordial approval, the proceedings of the Pittaburgh Convention, and swort the proceedings of the Pittaburgh Convention, and swort the spirosed of the Pittaburgh Convention, and swort the spirosed maintenance, in the spirosedings of the organized maintenance, in the spiroseding Presidential canvass of the political principles and objects proposed by that Convention.
