## PITTSBURGH GAZETTE.

**Advantage Payments.**—Hereafter no subscription will be made in advance. The subscription will be taken in full at the expiration of the year. All arrears must be paid before the expiration of the year.  
**Improvement of the Ohio River.**—The improvement of the Ohio River, by means of artificial dams and locks has been a subject of long and arduous consideration for many years. It is now proposed to form a sufficient supply of water for navigation purposes for the entire season, from the headwaters of the river to the mouth of the Ohio. The project is to construct a series of locks and dams, which will enable the river to be navigated for a distance of 1,000 miles. The project is to be carried out by the U. S. Patent Marble Company, of Thompson, N. Y.  
**Umbrellas and Parasols.**—The umbrella and parasol trade is a very important one in this city. It is estimated that the trade is worth about \$1,000,000 annually. The trade is carried on by a number of firms, who manufacture and sell umbrellas and parasols. The trade is expected to continue to grow in the future.

## DEBTS AND ASSETS IN GERMANY.

**DEBTS AND ASSETS IN GERMANY.**—The late Mr. A. T. Gorman of New York, who had just come from the mountains in a state of prostration and affliction, could only have been occasioned by such a severe hardship and suffering as, perhaps, no other man ever survived. In company with a Canadian Frenchman and two Kentuckians, he left the country for the Bluefield Indians last Fall, to accompany them to their native land. They arrived at Fort Henry on the morning of the 10th of September, and on the next day they were informed that the fort had been captured. They were then taken to the mountains, where they were held for a number of months. They were then taken to the mountains, where they were held for a number of months.
