in other piaces, and there is but little water be-hind the Island. This morning at 6 o'clock, the Effic Afton, a largo and powerful boat, the finest on the upper Mississippi, boilt about eix months ago, at a cost of over \$50,000, attempted to pass, and had got three-fourths through, when she took a sheer and struck, just aft the wheel-house, against the right hand pior of the main part of the bridge, and then swang round against the bridge. The cabin just paced under the even, but caught a few feet back, and warped it over considerably. The force of the current sgainst the hill caused it to careen still more. When she struck, the shock was so great as to overturn all the stoves,

dred chering.
We kept near the boat until she shad borned, down pretty well, when we got a line attached, and endeavored to hand her, battho bridge lying across her made it almost impossible to more her. We held on until she struck two miles be-low.
Two of the passengers came on board our boat. They say the excitement on the Afton was intense. Dat few of the passengers were out of their births at the time she struck two miles be-the first warning they had of their state rooms, the y found the boast on fire, and to add to the boat was sinking.
Berrors of the consense the cabin and the first warning they had of their state rooms, they found the boast on fire, and to add to the boat was sinking.
Berrors of the scence, a cry was raised that the boat was sinking.
Berrors of the conclusion that if our boast dangerone place I ever saw for a boan to fire, instead of one span, that fell; for it is tho most dangerone place I ever saw for a boan in the and shad power enough to pass it, there was an even chance of hor meeting the fail of at the fire dim cast is baread name was Wm.
