Date: called on the originate ito Dear Wil-ness of the fact that he had always been cour-teous in debato. Mr. Foster alluded to the avowal of Mr. I combs that he approved of Mr. Brooks's con-duct, and he thought it incumbent on him as he was a now member of the Senste, and had not participated in its debates to any considerable extent to say a word as to his reasons for his course. If he should remain silent now, it might be misinterpreted, and some might suppose his silence was through fear of like emergencies to himself. He withed to disabuse the minds of all members of the Senste if any such misappreheasion existed. He had thus far participated in the debate but slightly because being a new member he thought it would be more becoming for him to listen than to speak, but when an investigation of this kind was unde it might be supposed if Scanters did not speak.

Arrival of the Baltic.

NEW YORK, May 27 .- The Baltic arrived at (

NEW YOBK, May 27.—The Baltic arrived at 6 o'clock this morning with dates to the 14th. Her news is of considerable interest. A commercial treaty had been concluded be-tween Persia and the United States. It was ru-mored that an American squadron will soon eo-ter the Baltia. On the 9th, Russia, Sweden, and Oldenburg, eigned a protocol at Copenhagen agreeing condi-tionally to the capitalisation of the Sound Dues. Russis is reported to have demanded explan-ations respecting the Secret Treaty signed joint-by France, England and Austria, guarantoo-ing the Independence of Turkey. But this has not affected the stock market. The Russians under Mouravieff are commeno-ing a new campaign against the Circassians.

The Russians under Mourstieff are commen-ing a new campaign against the Circessians. Excitement continues in Beigium respecting French interference, with the liberty of the prese, but to day's mail says an agreement with France had been come to the French Secret Societies causing anxiety to the government. The affairs of Italy continue to excite much siteration. Count Gavour has presented two im-portant notes in the Sardinian Chambers. Walker's battin bad not caused much arative-

Nonrolk, May 27.-On Monday morning at 1 o'clock, the steamship Keystone State for Phil-adelphia from Savanab, came in collision with the bark Cavaller, Baltimore, bound for Rio.-

and run on the flats to prevent sinking. At the time of the collision, the first and second mates

and three sailors of the bark goton the steamer

and three sailors of the bark goton the steamer. The bark was struck opposite the foremast and crushed so as to prevent her reaching port. The Capitain called for help, and said his vessel was isiking. The officers of the steamer were not willing to risk their safety in endeavoring to succor him. The steamshup had a narrow escape. At one time the water was within three inches of the fires. Most of the parsengers of the Kaystone came to Baltimore this morning.

CINOIBRATI, May 27.--A. Kanzas meeting was held at Greenwood Hall, last night. Jodge Pro-basco presided. Speeches were delivered by Colonel Lane, of Kanzas, and others. Resolu-tions were passed strongly condemnatory of the stack on Sumner, and declaring that Brooks should be expelled.
