sion. The Free State men had made no prepara-The Free State men had made no prepara-tion for defence, and no resistance was attempt-ed. Men from all parts of the Farribory would have come to assist them, but they did not de-sire it. So long as there was hope in peaceful measures they would resort to no other. I great-ly fear that that time is past, and that the scenes of the 21st will prove to be the commencement of a oivil war in Kansas. An Ern Wirzmes. In addition to the foregoing we have been fur-labed with the arbichand letters inst. easiered here

think it has reference to a most cold blooded morder committed by them on the 19th inst., at Bianton's Bridge, three miles south of Lawrence, where a man named John Jones was shot after he had delivered up his revolver. The man who ebot him saying as he did it, "I have shot one God d — d abolitionist, and I'll shoot another." Jones was from fillinols. Hedied the next night. From the numbers whom I have seen return-ing, and from credible information, I am of opinion that there were three men from Missouri to one from the Territery engaged in this inva-sion.
