By order of the Board of Health

A. G. MURDOCH,
Physician of Board of Health.

Associate General Synod.

EIGHTH DAY—THURSDAY.

Opened with prayer by the Moderator.

New Papers.—A communication was received from Mr. J. C. Adamson, a Philadelphia Missionary, and a cousin of the late Dr. Chalmers, of Scotland, requesting Synod in their correspondence with the churches of Scotland, England and Ireland, to call their attention to the subject of lifting up a testimony against the corruptions of the English Episcopal Church. Referred to a special committee, consisting of Drs. Rodgers, Cooper, and Beveridge.

A memorial from Nashville congregation, requesting the loan of $300, to enable them to liquidate the debt against their church. Referred to the Committee on Funds.

Report of the Board of Education. On motion the present Board was re-elected, and Rev. Mr. Patterson was elected for two years to fill a vacancy.

The Protest of Rev. Mr. Strang to the action of Synod in his case, reported yesterday.

Rev. Mr. French offered a paper recommending the Board of Missions to correspond with the Board of the Church of Scotland, relative to the Mission to, Trinidad, and if they decline to further occupy it the Board of this Church to fill the vacancy. The paper also returned thanks to Rev. Mr. J. R. Campbell, a R. Missionary to India, for various kindnesses. Adopted.

The Committee on Privileges reported on various matters, embracing the submission of Dr. A. Bullions. Also, relative to the differences between the two congregations of Cambridge, which are in a fair way of adjustment. The Committees recommend that the congregations of the Second Presbytery of Cambridge, be allowed to manage their temporalities in accordance with the statute under which their charter is held.

Mr. Thomas Shiland, commissioner of the second congregation of Cambridge, proceeded to make some remarks on the report. The congregation had its origin in 1785; was incorporated in 1836 under the general act of New York, which act is in conflict with the law of Synod. It had been represented that the church was in rebellion, and about to go to the Presbyterian Church. These reports he denied. The law of the church of 1840 was that no person is eligible to the office of Trustee unless in full communion. The result of this law would be to drive off all who were not members of the church. Another rule of the Synod was that the deacons and others should form a consistory to take charge of the temporalities of the church. Both these rules are in conflict with the law of New York. The congregation therefore could not comply with the rules of Synod. In 1838 the church was cut off from Synod by an act of the 1st Presbytery of Cambridge at one swoop. That act was sustained by this Synod. The church became connected with the Eastern Synod, and remained there until the union in 1854. The Commissioner entered at length into the matter of the difficulties. Since 1854 the 1st Presbytery had never invited the ministers of the second to assist in Divine Service,—and he thought that the fault of the separation rested with them.

The commissioner referred also to the case of his junior pastor, Rev. D. G. Bullions, which had already been before Synod.

Mr. Lusk and other gentlemen replied.

A resolution of the Committee to unite the two Presbyteries was adopted.

Rev. Dr. McElwee announced that his wife, having come into possession of her share of her father's estate, gave $300 to the Mission Fund, to be funded and called the Ramsey Fund.

The thanks of Synod were returned to the donor.

Mr. Lusk reported, that the Widows' and Orphans' Fund amounted to $3253, minus $25 which had been paid out during the year.

Adjourned to meet at 7 o'clock P. M., the members being desirous of visiting the House of Refuge in the afternoon.

GENERAL ASSOCIATE REFORMED PRESBYTERIAN SYNOD OF NORTH AMERICA.—May 29th.—This body assembled at Rev. Dr. Pressley's Church, Diamond, Allegheny city, on Thursday morning, at 9 o'clock. The names of one hundred and thirty-one delegates (sixty-eight ministers and sixty-eight elders) from different parts of the Union, were entered on the roll.

According to the usages of the Synod, the Chairman nominated two ministers from whom to choose a Moderator. The nominees were Drs. Pressley and Donald M'Larnen, of Monongahela and Caledonia Presbyteries. Dr. Pressley declined being a candidate, and Mr. Clokey was nominated in his stead. A ballot being had, Mr. Clokey was elected and took his seat.

Mr. James Pressley was elected Clerk, and Mr. D. R. Harper Assistant Clerk.

The reports of a number of Presbyteries were read and refered to a special Committee, consisting of Messrs. Schoiler and Young, with instructions to prepare a narrative from the facts which they contain for publication.

A memorial was received from the Associate and Associate Reformed congregations of Millard's Run and Venice, praying Synod to endeavor to bring about the proposed union of the two bodies, as soon as possible.

Dr. Pressley, from the Board of Agency, presented a report relative to their Missionary labors during the past year. The report stated that there was an increased demand for Bibles in Egypt and elsewhere—that their Missionaries (Messrs. Barnett and M'Cabe) in Cairo, Egypt, had during the devastations of the cholera in that city been the means of doing a great deal of good. The agency recommended the establishment of a high school in Egypt.

The report stated that Dr. Pauldin and family had left Damascus on the 10th of April, and might soon be expected in this country; also that Mr. Lansing, the missionary from New York, was returning home from the same place, on account of ill-health—that therefore the only missionary now is in Damascus was Mr. Frazer, and they earnestly besought Synod to seek some earnest and devoted minister, who would go to his aid.

The report was referred to a committee, consisting of Drs. M'Gill, Forsythe and Pressley.

A communination was received from Rev. Dr. Burgess, the executor of the late Mr. Thompson, requesting Synod to appoint trustees to take charge of about $800 which had been bequeathed to them by Mr. Thompson. Action was postponed.

It was resolved that the hours of meeting should be nine o'clock A. M. and two P. M., and the hours for adjourning, noon and five P. M.

Dr. Kerr, editor of the *Preacher*, of this city, it was agreed should deliver the missionary sermon—which he was appointed last year to preach—at half-past seven o'clock this evening, in Dr. Pressley's church, Allegheny city.

In the afternoon the Moderator announced the following Committees:

Overtures.—Drs. M'Dill, Finley, M'Candle, and Revs. M'Larnen and I. N. Aleck.

Accounts—Larimer, M'Millan and Nevin.

Correspondence—J. H. Prestley, G. D. Archbold, and T. M'Cague.

Revision—J. Shields, S. Taggart and R. E. Stewart.

Education—Dr. Pressley, A Young, W. H. Andrew, B. Jamison and R. D. Harper.

Auditing—I. K. Andrews, J. N. Deck, and B. T. Baldridge.

The committee to whom was referred the report of the Board of Agency, reported in favor of appointing Mr. J. E. McCallister, of Rock Island, Missionary to Damascus. Action deferred.

The sum of $100, bequeathed by Mr. William Stewart of Ohio, was transferred to the Funds of the Foreign Missionary Society.

The sum of $540, bequeathals, was paid into the same fund.

At this point the committee from Associate Synod, Dr. Beveridge, Dr. Cooper and Mr. McLain, were announced. They laid upon the table the proposed Basis of Union, and stated their desire that it should meet the approval of the A. R. Synod.

After some further remarks the Committee retired.

The Testimony, or Basis, was then taken up, and the introduction to it read. Some discussion ensued, when on motion, the reading of the whole Basis was made the order of the evening.

BEING always interested in the welfare of the ladies, we would say to them—do you want a good dress of fashionable Silk for $5,50, or a splendid Mantilla, the very latest style, for $3,00 or $5,00? Do you want a handsome dress of French Lawn, Berage, Tissue, or Chaliee, at wholesale price? Do you want cheap Collars or Sleeves, Parasols, French Chintz, Crape Shawls, or any other sort of Dry Goods at the very lowest possible prices? Then, by all means, call at A. M'Tighe's cheap Dry Goods Store, corner of Grant and Fifth streets, where the cheapest goods in the city are always sold.

ARRESTED.—D. Hershburg the former clerk of Mr. Kahn, Tailor, Liberty street, who ran off with $800 in goods belonging to his employer, was brought to this city, yesterday, from Baltimore, and committed to jail for trial.

WESTMINSTER COLLEGE.—It gives us pleasure to inform our readers that the difficulties noticed some time ago as having occurred in this Institution were greatly exaggerated. Our information was from some of the students under suspension, and, of course, given under circumstances of strong excitement, which gave to the matter a coloring calculated to mislead.

1st. The evil complained of is that ladies and gentlemen do not enjoy equal privileges in that Institution. The evidence is, that two Society rooms for Literary exercises are provided for the young gentlemen, while none was provided for the young ladies. Now, the facts seem to be these: The Trustees did not consider that they were expected to make provision for any such appendages to this Institution, having contemplated and made provision for the instruction of students in the various departments of a Collegiate course; but the Professors, such as were there when the building was projected, designated two rooms, as is common in other Colleges, for this purpose. No Ladies' Society was then in existence. After a Society was organized, a Hall, spacious and well proportioned, was allotted to them. This is well fitted up, and is probably the only Hall in this Commonwealth by the name of the Ladies' Literary Society.

2d. It was alleged that the Faculty interfered *arbitrarily* in forbidding the young ladies to "ornament" the College Hall for their public exhibition. Some of the members of the Faculty did recommend them not to do so. The reasons assigned were then considered satisfactory. No such ornamenting as was contemplated could be done without injury to the Hall. It is the largest and best room in a building that cost $10,000, and as guardians of the College property, they considered clambering over the pews and driving spikes into the columns and casings, newly painted and varnished, would injure the property—moreover, whatever order was taken at this time would be a precedent for time to come. The refusing to go on with the exhibition was a matter, as since has been made to appear, depending on something altogether independent of the action or advice of the Faculty, and was determined upon anterior to any such interposition.

3d. This Institution is in successful operation at the present time, with a greater number of students than have been in attendance; showing that it enjoys a degree of public confidence, unimpaired by the exercise of discipline, of which confidence, we are happy to say, it seems to be worthy.

Edwin C. Wilson vs Sarah Ann Ford. Action to recover some $160, for professional services as counsel in some three or four law suits, in which the plaintiff had a large amount of property at issue. McCalmont for plaintiff, and Todd & Smith for defendant. Jury out.

John and Daniel Freidle vs. Charles B. Hamner and Martha Williams et al. heirs-at-law of George Williams, dec'd. McCalmont for plaintiffs, J. E. Brady for defendants. Action of ejectment for eight and one half acres of land in Ross township. Both parties claim under John Freidle, dec'd, and father of the plaintiffs. The defendants are in possession under a deed from the deceased, in 1836. The Plaintiffs allege that at the time of making the deed, Freidle was insane, and produced in evidence the finding of a jury of inquest authorized by a commission of lunacy, issued in 1838, which found that the said Freidle was of unsound mind, at the time of such finding, and for five years prior. The case is quite an interesting one, and will probably last several days. On trial.

VERDICT AGAINST THE PA. R. R. COMPANY.—On Tuesday morning the case of P. A. Hackleman vs. the Pennsylvania Railroad Company was called up in the United States Circuit Court, appeared on the trial that Judge Hackleman is a citizen of Rushville, Illinois—that in 1852, he was in Baltimore—that he there purchased a ticket to carry him to Cincinnati, by way of Harrisburgh, Pittsburgh and Cleveland. At that time the P. R. R. was not completed from Beatty's to Pittsburgh's station, and passengers on the road were carried between those points in stages. Judge H. arrived safely at Beatty's and then got in one of the stages. It was shown on the trial that the stage was over loaded—having nine passengers inside, and five outside—also, that the driver was angry or intoxicated, and that in turned a corner (that was otherwise safe) with great rapidity, and thus overturning the stage, by which Judge Hackleman had the radius of the left arm broken, and the small bones of the wrist dislocated. Verdict for plaintiff $1,000 damages with costs of suit.

VISIT TO THE HOUSE OF REFUGE.—A number of the Ministers and Elders in attendance upon the sessions of the Associate Synod of North America, in Allegheny, visited the House of Refuge yesterday afternoon, upon invitation of the efficient Superintendent, Mr. Rutherford.—They started at two o'clock from Dr. Rodgers' Church, in vehicles provided them, and spent several hours in inspecting the building, its inmates and plan of management. The visitors expressed themselves much gratified with their visit.

HEAVY ROBBERY.—The shoe store of Messrs. Neill & Smith, corner of Federal and Lucock sts. Allegheny, was entered on Wednesday night or early yesterday morning by robbers. They obtained entrance by forcing open the front door. About five hundred dollars worth of shoes, boots, slippers and gaiters were taken. When the proprietors of the store arrived in the morning, they found the doors open and the remainder of the goods in great confusion. No clue to the thieves is in possession of the police, and the probability is they will escape.

THE KEYSTONE CLUB AND BECKS' BRASS BAND, of Philadelphia, left there last night at 11 o'clock, and will arrive in this city at half past one this afternoon. They have through excursion Tickets by the way of Hamilton and Dayton Rail Road. The Company have very generous'y agreed to pass the Band free of charge from Crestline to Cincinnati and back.

UNITED STATES CIRCUIT COURT.—Before Judge Irwin.

LOCUST GROVE
FEMALE SEMINARY.

THE TRUSTEES OF LOCUST GROVE Episcopal Female Seminary, give notice to the friends of the Institution, that the Rev. WILLIAM H. CLAGETT, having been compelled by protracted ill health, to resign his charge as Rector of the same, has been appointed by the Bishop to succeed him in the services of the Rev. GEORGE T. RIDDLE, of New York, for the same position, and who on the 22d inst. took charge of his duties. From the very high and flattering commendations which they have received of him, they have no doubt of his eminent success in the work committed to him, and they believe that under his management the Seminary cannot fail to be prosperous and in every way reliable favor and support.

Persons having daughters or wards to educate are particularly directed to the advantages which this institution affords, both as respects its beautiful and salubrious position, two and a half miles from the city; and also the facilities for the thorough and refined education presented in its efficient corps of instructors.

Circulars may be obtained on application to the Rector or either of the Trustees.

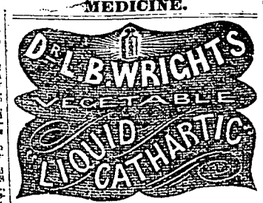
MEDICINE.



OR, PLEASANT FAMILY PHYSIC—An entirely vegetable preparation, pleasant to the taste, unrivalled in its action upon the liver, stomach, bowels, and general system. As an Anti-bilious and Alterative Physic, this Medicine

HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of 10 years in all cases where a good Physic and Alterative was required, and would not now do without it. It is the

PHYSICIAN'S ASSISTANT,

As well as the safest family medicine in use. *Children drink it with pleasure. It does not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the system of all property taken.* Already

THOUSANDS OF LIVING WITNESSES

are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Scrofula in a few days. It is a

NEVER FAILING CURE

for Headache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast and Limbs, Colds, Coughs, Worms, Rheumatism, Dizziness in the Skin, Pimples, Cutaneous Eruptions, Obstructions in the System, Constipation of the Bowels, Dizziness, Nervous Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Dropsy, Chills and &c. It cleanses by its superior medicinal virtues, the viterous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels, it rejuvenates each organ and leaves the system healthy. I ask my friends to test the above Medicine, and pronounce a verdict after they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity and its sales have increased. Even in the most sanguine hopes of its friends. Neighbors recommend it as a sure and *UNFAILING PHYSIC* Druggists carry it with them. *CHILDREN will*

after one trial, and parents should use no other in their families. People living in low and marshy countries, subject to deadly miasmas, where Fevers, Agues and Fever, and bilious complaints are more apt to be, will find the "Liquid Cathartic" the most potent remedy yet tried. Give it a trial.
