TELEGRAPHIC

NEW YORK, May 21.—A meeting was held at the Tabernacle last evening to express the indignation of the community in regard to the assault on Sumner. The building was packed full and there seemed to be one prevailing sentiment of decided honor and contempt for the crime. N. J. Griswold, presided, supported by twenty Vice Presidents including Moses H. Grinnell, P. Perritt, President of the Chamber of Commerce, B. T. Butler, ex-Mayor Havemeyer, Kingsbury, Wm. Evarts, E. Brooks, L. Bradish and others. A series of appropriate resolutions were offered by Mr. Evarts in which the assault was characterized in the language of Senator Wilson as brutal, murderous and cowardly, and calling on the House to expel Brooks immediately and unconditionally from the House. The resolutions were supported by Daniel Lord, Charles King, E. D. Morgan, John A. Stephens, President of the Bank of Commerce, and H. Ward Beecher. The burthen of the speeches was that party feeling among the patriotic, conservative and Union loving men of the North must henceforth be sunk and a united effort made to avenge the dastardly assault on Mr. Sumner. The enthusiasm ran very high and the crowd was so great that an outside meeting had to be organized and the proceedings were of a like character with those inside.

In the Superior Court this morning, in the case of Fry vs. Bennett, for libel, the jury gave a verdict of $6000 for plaintiff.

Webb, of the Courier and Enquirer, telegraphed last night that Mr. Sumner was better. By opening and poulticing the wound, a free discharge has been produced and the tendency to erysipelas is arrested. It may be necessary to open the scalps in different places, but the danger is pronounced certainly past, and everything depends on the next four days.

The Tribune's Washington correspondent says it is well ascertained now that Mr. Crampton was instructed to close the legation in the event of his dismissal. Hence his abrupt departure yesterday morning. His Secretary of Legation applied for passports for himself and attaches, and only remains temporarily as a private individual to close up the personal matters of the embassy, and the ministry. Mr. Crampton notified his servants two weeks ago that they would not be required after the 1st of June.

CHICAGO, May 31.—Col. Eldridge, landlord of the Free States Hotel at Lawrence, arrived here last night; also two bearers of dispatches to Washington.

Gen. Pomeroy escaped from Lawrence, and is expected to-night.

The intelligence of the murder of eight proslavery men at Pottawatomie Creek, comes from the Indian agent, Robinson, under date of the 16th.

John S. Phelps has been nominated for Congress in the Sixth district of Missouri, on the Democratic ticket; J. M. Wines, on the American, and P. B. Larmore, Benton.

Mayor Payne, of Kansas City, called a meeting to be held on the 22d, to consider measures relative to the American Hotel which is said to belong to the Emigrant Aid Society.

WASHINGTON, May 31.—Mr. Sumner passed a comfortable night. A consultation of physicians was held at ten o'clock this morning. No person whatever is admitted—absolute repose being necessary.

WASHINGTON, May 31.—The payment of the Texas creditors will not commence at the Treasury Department until Monday, in consequence of the list of June falling on Sunday.

NEW YORK, May 31.—The steamer Fulton sailed at noon for Havre, with 246 passengers and nearly $500,000 in specie.

BANGOR, Me., May 31.—Snow fell here this morning, and also at Danville, Waterville, and other places. The weather is very cold.

BOSTON, May 31.—A meeting has been called for Tuesday evening at Faneuil Hall to adopt measures to aid Kansas; $100,000 is to be raised for the Free State men there.

NEW ORLEANS, May 31.—Cotton unchanged; sales 2000 bales. Mess Pork $18. Sugar 8s. other articles unchanged.
