York Exhibition to the English or forting Sauce Marm.

Activers has been obtained, amongst numerous compati
tors, by LEA & PERRINS, for their

whereby further testimony in afforded of its being the

best Sauce extant.

The ocasimity of this Sauce has extended to every quar
tre of the side, and its efficacy in promoting the general

health is becoming daily more observed and acknowledged.

In the United States it is held to be the most agreeable

condiment, and is erfected for its tonic and invigorating

properties, its habitual use snabling the stomach to digest

the food.

properties, its habitual use enabling answered to the flod.

On the Continent of Europe, these qualities have been testified to by a qualitiman, who writes to LEA 2 PEIL-EINS thus "I have carried a bottle of your Woresternbly scane in a tour I have just completed through Spoin and Fortigual, and believe I owe my present state of health to its ass; your Easues is stomachie, and I think medicinal. I can with truth say there is nothing in a traveler's because is semantial to his committal, it also so countries.

as your Sauce.

In India, alte, where it is found at the mers of every regiment, a madical gauteman writes from Madras to his brother in the same profession at Worcester, in the following terms: "Pail Les & Perrins that their sauce is highly expressed in India, and that it is, is 'my opinion, the most? Suitable as well as the most," whilesome same he most rangement as well and a made."

This sauce is suitable for every variety of dish, and the universal demand which its smoothene has created has the universal demand which its smoothene has created has
