GAZETTE—CITY DEPARTMENT.

PITTSBURGH:
TUESDAY MORNING, JUNE 24, 1856.

BOARD OF LICENSES.—The Board of Licensers were in private session yesterday, busily reviewing the mass of testimony taken in the cases of applicants for the city. One great difficulty with them will be the fixing the classification of the Wards, but as the members of the Board are gentlemen of excellent practical judgment, the award will doubtless be entirely satisfactory.

After the Board convened in the afternoon yesterday, Mr. Charles B. Taylor, laid upon the table petition signed by several officials and clergymen, praying the Court to grant no licenses whatever. He said the law was not personal. Mr. Albree said that there were the very points upwards of a thousand witnesses had been called to be examined upon, and though they would receive it, it was now too late to make a general remonstrance.

Col. Hawkins said the Board had been sitting for the very purpose of hearing charges of this kind—preferred against individuals. They had asked the public to come up and remonstrate, and respect a man had shown the backbone to do so, but Heron Foster.

Mr. Taylor excused himself on the ground of want of time. He did not like to draw himself up in battle array against men who were armed with pistols.

He had done for the cause what he could, and had not done, and he objected to be taken the front in the movement.

Col. Hawkins closed the interview by saying that he did not like, when to engage up whispering charges in the ears of the Board, but wanted them made specifically upon oath before the applicant.

We will probably announce in to-morrow's paper some of the successful applicants.

THE COMMENCEMENT EXERCISES OF ALLEGHENY COLLEGE, Meadville, Pa., will take place on next Wednesday, July the 2d. The graduating class is composed of nineteen members. A STREET FIGHT.—A street fight occurred about 7 o'clock last Sunday morning at the corner of Liberty and Market streets, in which one of the combatants received a serious, and well nigh a fatal, cut up the neck. The wounded man, Elijah Hall, was taken to Dr. McDonald's office, Penn street, near Sinclair, where his wound was dressed. He stated to the physician that he and the other were striking together, when another party of three came up and interfered in the conversation. The assailants are not known.

Another fight occurred in the same locality at an earlier hour, but we were unable to learn the particulars. One man was knocked senseless with a knuckler.

DR. MCCLINTOCK'S new medicine for Gravel and Kidney diseases is one which meets a great want in the community, and will no doubt, meet with great favor for that class of diseases. Dr. McClintock's name has stood at the top in the medical profession, he therefore a Professor in two medical colleges, and as a medical lecturer and professor he has no superior. His medicines are all prepared with great care and under his immediate supervision—one medicine for each disease. They are deserving of public confidence.

Sold at Dr. Keyser's, 140 Wood street. Sole Agent for Allegheny county.

A FREE FIGHT.—A regular fight of the free and easy order came off near Oakland, on Sunday afternoon, between a party of Germans. About twenty were engaged in the affray. They went to work very deliberately, frequently resting, occasionally, two or three would get up a pitched battle a while away the time. Several women went into the work vigorously. After the fighting was all over, one man, who had previously taken no part in the fighting, stepped up behind a man and knocked him down, and then ran off at a very fast gait. No arrests were made.

BENCH WARRANT.—The Court was in session yesterday to decide upon the merits of a charge of fraud preferred by Messrs. Kramer & Baldwin, Brokers, against a man named Robert Griffith. A bench warrant was issued on Saturday, but the accused had left the city. Messrs. K. & B. charge him with defrauding them of some $1500, they having a judgment for that amount against him, as he refused to give a portion of the consideration money—a $500 draft—of a patent right, which he sold a few days ago, to the satisfaction thereof.

DONT READ THE PAPERS.—The Sheriff advertised it nearly all the papers last week that the jury subpœnaed in the Criminal Court for yesterday would not be wanted, and supposed that such a notice would be sufficient. He was mistaken, as that particular panel did not read the papers, and they all made their appearance at the Commissioners' Office yesterday morning, for their fees and mileage.

THE STATE FAIR.—We are informed by R. C. Walker, Esq., of the State Committee, that a distinct list of Pittsburgh Manufactured Articles will be embraced in the Premium List of the State Agricultural Society. For the best of each article a silver medal will be awarded, and the secondary premium is proportional. Our manufacturers should be on the alert—as they doubtless will make a fine display. Every accommodation, such as steam power, &c., will be prepared by the committee.

THE VIGILANT ENGINE.—The members of the Vigilant Fire Company, paraded yesterday afternoon, with their new beautiful Engine. They were preceded by Young's Brass Band. The elegant appearance of the machine attracted universal attention. The Company will keep open house during the week, for the accommodation of ladies and gentlemen who may wish to examine the Engine.

GOING TO THE COUNTRY.—Sheriff Patterson on Saturday purchased a farm of fifty-one acres in Robinson township, on Chartiers Creek, about four miles from the city, where he proposes to reminisce during the heated term. The property is well known as that of the late Col. Baldwin. The Sheriff paid $161 per acre at Orphan's Court Sale.

USHY.—A two-horse carriage was upset on the Perrysville Plank Road, on Sunday afternoon, and considerably bruised and broken. There were two women, three children and two men inside and two men outside. The horses became detached from the vehicle and ran off, but were afterwards caught. One of the women had her face injured.

MISSIONARY ANNIVERSARY.—On Sunday the 8th inst., the annual Missionary meeting of the Sabbath School attached to the Liberty street M. E. Church, was held. The collection, morning and evening, realized $390. Rev. L. C. Pershing and Mr. W. H. Kincaid were made life members of the Parent Missionary Society.

REFRESHING SHOWER.—The heat on Sunday was very oppressive, the mercury ranging away up among the nineties. About nine o'clock on Sunday evening a heavy rain descended and continued through the night and yesterday, cooling the atmosphere delightfully.

SAID TO BE ARRESTED.—McAvoy, the alleged murderer of Thomas Applebee, late of Chicago, is said to have been arrested in Louisville. He is a musician, and the description given by the women who saw the murderer in the store, is said to suit the appearance of the accused.

FEROCIOUS DOG.—A lad named Conley was severely bitten in the calf of the leg on Sunday, on the 4th street road, by a ferocious dog belonging to a man named Kearney. The owner refused to shoot the dog, and the father of the lad threaten to bring suit.

RETURNED.—Mr. Jonathan Warden, after thirteen years' absence from the city, a large portion of the time having been spent in California, arrived at home on Saturday night. He received a warm welcome from his old friends.

DEDICATION.—The new M. E. Church in the borough of Mercer, will be dedicated to the worship of God, on Sabbath, June 29th, by Rev. A. Cookman, of this city, assisted by other eminent ministers. The public are invited to attend.

LARCENY.—Justice Carnahan, of Temperanceville, committed Enoch Cypher, to jail late on Saturday night, on the charge of stealing a horse and buggy from a man named T. S. Burke. The prisoner is said to be insane.

SOLD AT SHERIFF'S SALE.—The type and good will of *The Reformation*, edited by D. Ramaley, was sold yesterday for $85. Mr. J. T. Shryock was the purchaser.

RESPONSIBLE.—From Attorney's.—The Board of Licensers will hear remonstrances from Allegheny on Thursday next.

The boy was killed almost instantly. Coroner Alexander held an inquest on Sunday.

SUICIDE.—A man named Alexander Armstrong, farmer, Plum township, committed suicide, yesterday morning, by hanging himself. He was found by his wife suspended by a beam in the upper story of a new house he was building. The cause alleged is that he was unable to complete a new house. He leaves a wife and two children.

Republican Declaration of Principles,

ADOPTED BY THE PITTSBURGH CONVENTION.

1. Resolved, That it is the duty of Congress to exercise all laws which allow the introduction of slavery into the Territories, and shall attempt to secure the repeal of any constitutional means the existence of slavery in any of the territories of the United States.

2. That we will support by every lawful means our brethren in Kansas in their constitutional and manly resistance to the usurpations and base laws of the invaders, and will give the full weight of our political power in the State of Pennsylvania to secure to them the Union as a free territory, independent State.

3. Believing that the present political administration has shamefully failed to take care that the laws are faithfully executed, and that its complicity in the crimes committed in the name of the Democratic party in Kansas renders it unworthy, with the exception of freedom from the territory, and with increasing civil discord, it is a leading purpose of our organization to oppose overthrow it.
