PITTSBURGH CHEMICAL AND VARNISH WORKS.
FINCH & CO.,

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the manufacture of all descriptions of Copal and other VARNISHES, and are now prepared to supply their friends and the public generally with articles of the very best manufacture, made of the best material, and selected with the greatest care and under the most favorable circumstances.
FINCH & CO. intend to devote themselves to cultivating a first class trade, and have every confidence that, for the initial, will prove satisfactory. Their taste of prices will be found equally low with any of the eastern manufacturers, being determined that no article shall leave their works but of approved and tested quality. They only ask for a trial and a share of public patronage.
To our fine Body COACH VARNISH we would call particular attention. This article is equal to any English Coach Varnish of the very best brands, being made exactly after the process of the first class Kendals imported by Mr. Thomas Douglass, who for many years was employed in some of the most extensive establishments in England and Scotland.
Our Anti-Corrosive BLACK VARNISH we would particularly recommend to Founders, Boat-builders, and Manufacturers of iron generally. Its peculiar qualities prevent oxydation entirely, which is a great desiderata, from the fumes using varnish for iron, and preferable to asphaltum and other compounds.
All orders left at HOWARD, JOHN IRWIN & SONS' Front street, will be punctually attended to; or with J. FINCH, 120 Third st. jy2-dawly3
