Mr. Orr, aluded to the fact of the gentleman BUTTALO, July 10.—KANNAS CONVENTION.—A ning to-day to print one hundred thousand Committee of 18 was appointed to report a plan TELEGRAPHIC CONGRESSIONAL.

WASHINGTON, July 6.—SERATE.—Mr. Johnson, from the committee on Printing, reported in favor of the molion to print 20,000 extra copies of the Kanasa bill, as passed by the Senate, but adversely to the motion to print the amendments proposed, and the yeas and nays thereon. Mr. Trambull thought, if the Senate were going to send this forth as an electioneering document, the action taken on the various amend-ments ought to be with it, so as to present fair views of the subject. Mr. Weller wished the report of the committee to be concurred in. The positions held by a majority of the Senate had been very much mis-represented, and he desired that the public mind abculd be set right.
