PITTSBURGH CHEMICAL AND VARNISH WORKS.

FINCH & CO.,

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the manufacture of all descriptions of Copal and other VARNISHES, and are now prepared to supply friends and the public generally with articles of the very first quality, both as regards material and selected with the greatest care and on the most favorable terms.

FINCH & CO. intend to devote themselves to cultivating a first class trade, and have no doubt that their efforts will prove satisfactory. Their tariff of prices will be found equally low with any of the eastern markets, and, being determined that no article shall leave their works but of approved and tested quality, they only ask for a fair share of public patronage.

To our fine Body COACH VARNISH we would call particular attention. While second to none of the high Coach Varnish of the very best brand, being made exactly after the process of the first class English houses, by Mr. Thomas Douglass, who for many years was employed in some of the most extensive establishments in England and Scotland.

Our Anti-Corrosive BLACK VARNISH we would particularly recommend to Founders, Boat-builders, and manufacturers of iron generally, its peculiar qualities prevent oxydation entirely, which is a great desideratum to those using varnish for iron, and renders it superior to all other compounds.

All orders left at Messrs JOHN IRWIN & SONS' Front Store will be punctually attended to; or with J. FINCH, 75 Third st. ja7-1yd
