FREMONT & DAYTON.

FREEMEN RALLY!

TO THE STANDARD OF THE FREE!

There will be a Mass Meeting of the friends of

Freedom, Free Speech and Freemen,

Who are in favor of the election of FREMONT and DAYTON, and who are opposed to the Democracy of the present National Administration, in the CITY OF PITTSBURGH, on

TUESDAY, JULY 15TH,

at the Yard of the AMERICAN HOTEL, Penn street, at 8 o'clock, P. M.

An invitation to address the Meeting has been extended to Hon. HENRY WILSON, of Mass.; Hon. S. P. CHASE, of Ohio; CHAS. REMELIN, Esq., of Ohio; W. H. GIBSON, Esq., of Ohio; Hon. THOS. WILLIAMS, of Pittsburgh, and JOHN A. WILLIS, Esq., of California and it is confidently expected that they will be present.

THEN OUR FRIENDS! leave your respective employments for a season come up in your native dignity, and testify your devotion to the Institutions planted and nurtured by your patriotic sires.

SENATOR WILSON has promised to be present.

☞ For Telegraphic News see 3d page. For City and Commercial News see 4th page.

MR. SUMNER'S SPEECH.—Persons desirous of procuring copies of Mr. Sumner's celebrated speech, "The Crime against Kansas," in pamphlet form, can procure them at this office.

THE FREMONT AND DAYTON MEETING ON TUESDAY NIGHT—SPECIAL TRAIN.—Mr. MOORE, the Superintendent of the Ohio and Pennsylvania Railroad, has consented, at the earnest request of the people on the line, to run a special train for the accommodation of the people of New Brighton, Rochester, Freedom, Sewickley, and other points, who wish to take part in the ratification meeting, and to hear Henry Wilson, the "Natick Cobbler," now the great Massachusetts Senator. The train will leave here about eleven o'clock, to carry the delegations to their homes. We hope hundreds will embrace the opportunity of being present. It is worth going a good ways to see and hear Henry Wilson on a subject which stirs all patriotic hearts.

WARREN COUNTY.—The Buchanan Democrats held their Convention in Warren, on the 2d inst. Several of the townships refused to participate in a meeting held on the Cincinnati Platform.—The Democrats of Sheffield township met; and

Resolved, That we believe in Democratic principles as taught by Washington, Jefferson and Jackson, and that the principles of true Democracy are still dear to us.

Resolved, That we cannot support any candidate for office who stands upon, is pledged to, or is otherwise in favor of the recent platform erected at Cincinnati, under the name of Democracy.

When Columbus that old Gibraltar of Democracy was called in the Convention, the following protest was handed in:

To the Democratic Convention: The Democrats of Columbus Township are of the Jeffersonian School. They have not changed their sentiments as to the propriety of restricting slavery to its present limits. It is announced in the *Ledger*, that such Democrats will not be allowed to run upon your ticket nor attend the Buchanan ratification meeting. We do not wish to participate in the proceedings of a convention which might commit us to the support of a ticket on the Cincinnati platform and therefore decline to present credentials. PHILANDER PARKER.
AARON WALTON.

Delegates from Columbus Township.

G. W. Scofield, Esq., a delegate to the Harrisburg State Democratic Convention last March, and for two years Representative from that county to the Legislature, refused to be a candidate for a Senatorial nomination on the Slavery Platform, declaring himself opposed to the further extension of Slavery, and in favor of excluding it from all territory of the United States. In the coming election, he said, he intended his vote should represent his principles. He is one of the ablest men in that section, and has long been a leading Democrat. His bolting will help the Republican cause materially.

The Hon. C. B. Curtis of that county, who voted against the Nebraska infamy in Congress, also refuses to mount the "Border-Ruffian" Platform.

We find the following notice in the Warren Mail. It shows that the straight-out Democrats are not to be idle spectators of the coming conflict:

The Democratic Committee have called a meeting and excluded from it all who do not coincide with all the principles of the Cincinnati Platform. In consequence of this we are requested to state that there will be another Democratic meeting, at the Court House, on Monday evening, July 7, 1856, at 7 o'clock. All persons who feel themselves excluded from the Committee's meeting are invited to attend the.

C. B. Curtis, G. W. Scofield and others will be present and address the meeting.

MERCER COUNTY.—A Fremont and Dayton ratification meeting took place in Mercer on last Monday evening. The meeting was large and enthusiastic.

On the same day the Republican Convention was held, and the following ticket nominated:

Congress—*Wm. Stewart*, subject to the decision of the District Conference. Senator—Wm. F. Clark, subject to the decision of the District Conference. Assembly—Samuel Kerr, Mercer county. S. P. M'Calmont, Venango county. Associate Judges—Thos. J. Brown, David T. Porter. Commissioner—Robt. F. Thompson. District Attorney—J. H. Robinson. Poor Director—Robt. Fruit. Surveyor—Jacob Zahniser. Auditor—Geo. W. Allen. Trustees of Academy—Andrew Harshie, David W. Findley.

The opposition to Buchanan and Slavery is united and harmonious in Mercer, and also in that Congressional District, composed of Mercer, Lawrence and Beaver counties. The Beaver Argus, the New Castle Gazette, the New Castle Freeman, the Mercer Whig, and the Mercer Democrat, all have up the Fremont and Dayton ticket, and we are informed by a gentleman thoroughly acquainted with the District, who has lately been through it, and whose judgment is reliable, that the majority in that District for Fremont and Dayton will be from 500 to 1000 greater than that given to Pollock.

We saw a gentleman from Salem, Mercer county, on Saturday, who informed us that the political excitement in that region exceeded anything he had ever known, and that Fremont was sweeping all before him. Pro-Slavery Democracy will be about used up in the Western and Northern counties of this State before the election.

The following is summary of a canvass made by Thomas Murphy of Lee, Murphy and Avery, No. 60 Dey st., New York, of the preferences for President of all the legal voters who are now residing, working or doing business in Dey st., with the following result: Fremont 212, Fillmore 164; Buchanan 93. Dey st., is essentially commercial, and a very large proportion of the Fremont men, including the canvasser, have for years taken little or no part in politics. The responses for Fremont were pre-eminently prompt, hearty and unhesitating.

Bayard Taylor who sailed in the Asia, goes to spend two or three years in Denmark, Sweden, Norway and Russia. He contemplates returning home by the route across Northern Asia, Siberia and Manchouria to the mouth of the river Amour, whence he will take ship for Oregon or California.

A BUFFALO friend, who cannot misstate and is not mistaken, assures us that Miss Fillmore, the only and estimable daughter of the present South American candidate for President, received a large part of her education in a Roman Catholic Seminary, and that she was for a considerable time a boarder in that institution!—How the hale of the *Express* must stand on end at this terrible revelation! How it must shake the nerves of Erastus as to render him incapable, for the next two or three weeks, of proceeding with the composition of his Governor's Message! It may calm the agitation of some venerable ladies, whether in or out of pantaloons, to be assured that Miss Fillmore at maturest, to be assured that Miss Fillmore at maturest years was not only very *well* educated, but as far from bigotry or superstition as a lady of large understanding and unusual intelligence need be.—*N. Y. Tribune.*

BEAVER COUNTY.—The following communication from Beaver county will be read with interest. It shows that the opposition there is united, harmonious, and enthusiastic, and that numbers of the best and most intelligent Democrats are joining the hosts of Freedom. One of the gentlemen mentioned below, BENJAMIN RUSH BRADFORD, Esq., was the candidate of the Americans for Governor, two years ago, and his name possesses an influence in every part of the State. Benjamin Wilde, Esq., we have long known and respected, as a most intelligent and worthy man, and an enterprising and successful manufacturer. The Democrats have few such men to lose anywhere. The signs of the times are truly auspicious, when we find the best men in the Democratic party in the North, everywhere, ranking themselves among the opponents of Slavery extension:

NEW BRIGHTON, July 11, 1856.

D. N. White, Esq., Editor Pittsburgh Gazette:

The citizens of this borough and vicinity opposed to the extension of Slavery, have already perfected their local organizations. The Beaver Falls Fremont Club was formed on last Saturday evening, and embraces over 200 of our citizens. It met again on Tuesday evening, at Seminary Hall, the largest one in our borough; and, though no speakers had been announced, it was unable to contain those who thronged to be present. The utmost enthusiasm and harmony prevailed.

Benjamin Wilde, Esq., was elected President, and on taking the chair remarked, that he had hitherto been a consistent member of the Democratic party, attached to its name and principles, but its recent action left him no alternative but to repudiate its candidates, or sanction the attempt now being made through its instrumentality to extend the institution of Slavery, as set forth in his letter of acceptance and late speeches, and his views on the acquisition of Cuba as exhibited in the Ostend circular. These were the issues to be decided. The principles embodied in the Philadelphia platform, being those which the Democratic party in its purer days had loved to support, he should give his vote and influence to secure the election of the nominees of the Philadelphia Convention.

Mr. Wilde was frequently applauded during his speech which produced a decided sensation. The pro-slavery Democracy are filled with alarm at his support of Fremont, having been one of the most prominent Democrats in this county. He was lately the Democratic candidate in this district for Senate. Mr. W. is an adopted citizen, a gentleman of wealth, largely engaged in manufacturing, possessed of much ability and learning. His influence in behalf of Freedom will be largely felt in this and surrounding counties.

Amongst the other officers is B. B. Bradford, Esq., late the American candidate for Governor of this State. As Mr. Bradford is well known throughout the State, his many friends will learn with pleasure that his influence will be warmly exerted in behalf of free speech, free men and Fremont.

Silas Merrick, Esq., widely known as proprietor of the Merrick House, and formerly a Democrat, and A. Robertson, Esq., late State Senator for this district, elected by the Whigs, are among the other officers of the club.

Nearly every business man in this community, has already connected himself with this club, embracing the adherents of all the old parties. Our borough will give out of a vote of 300, at least 220 *majority*. Put old Beaver county, down at from ten to fifteen hundred majority for Freedom and its gallant standard bearer.

From the NEW YORK Courier & Enquirer of 9th inst.

THE CRISIS IN WASHINGTON.—We invoke attention to the following extract from a private letter from Washington, written by a gentleman who has every means of forming a correct judgment. It presents a condition of things that should produce determined action. We know that there already is the most intense public feeling on the subject, but it is time that it should manifest itself in commensurate tones. The avalanche of evil is actually impending. It is absolute folly to keep quiet and hope for the best. The Repeal of the Missouri Compromise, the cause of all our present woes, would have never passed the House of Representatives had the great cities of the North, and especially this commercial metropolis, risen in their strength and protested against it, as they might and should have done. That neglect they have rued most bitterly. Shall the sorrowful lesson be withoutprofit? The letter was not intended for publication, but it should meet the public eye.

"We are on the eve of a very great crisis here, and I much fear that the leaders of Northern opinion do not appreciate its importance.

There is great danger that we shall be beaten on the wretchedly delusive scheme of the Toombs and Douglas coalition.

Our men need rousing up. Unless we have from the North some great and general movement, depend upon it the Douglas, or, rather, the Toombs project, will pass the House. Believe nothing that you hear about the dissatisfaction of Southern men. They are *all* deeply anxious for the success of the scheme. It is exactly what they want, and besids bringing in Kansas as a Slave State will effect many other objects now unthought of. There is really occasion for very great alarm. All men of property, all interested in the maintenance of social and political order, all desirous of peace, should give their influence, their time and their means, to prevent anything being done to consummate the conspiracy for forcing slavery upon Kansas, and bringing her by fraud into the Union.

This bill, on the part of Douglas, is merely a piece of quackery. He looks upon it as merely an expedient to allay irritation for a moment.—Stanly and Canada. Some scoundrel without the signature of

THE NEWS FROM EUROPE BY THE AFRICA.—There is nothing in the news brought by the Africa's mails, of the least interest, but the following. The London correspondent of the New York *Commercial* says:

"American matters,—or, rather, manners,—have again been in everybody's mouth. The exciting cause was a *contretemps* that happened at the Queen's levee. Divested of the outrageous exaggerations of the British presses the facts are simply these, that Mr. Dallas, accompanied by a friend, went to the Queen's levee; the friend's costume was not in accordance with the regulations, and both gentlemen, Mr. Dallas worthy man, and an enterprising and successful manufacturer. The Democrats have few such men to lose anywhere. The signs of the times are truly auspicious, when we find the best men in the Democratic party in the North, everywhere, ranking themselves among the opponents of Slavery extension:

Dalley's Magical Pain Extractor.—The great and principal characteristics of DALLY'S MAGICAL PAIN EXTRACTOR consist:

1st. Of its never failing and unique property, as soon as applied to any external injury, to *check inflammation* instantly, and rapidly to reduce it. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases, in so incredibly short a space of time, and as will appear from the few testimonials hereunto annexed. Every intelligent mind is fully aware that in all cases of external injury, the pain is produced by inflammation of the injured parts; and, therefore, if you remove the cause, the effect must cease.

2d. It's purifactive properties neutralize the poison that may lurk in the system, as it will, when applied to the sores, draw rapidly all impure matter to the surface, and effect it—hence the great discharge its produces from sores occasioned by burns—and when applied to old and inveterate sores, Salt Rheum, or other cutaneous diseases.

Great Cure of Piles.

HUNTSVILLE, N. C., Nov. 1, 1855.

Dr. C. M. Jackson—Dear Sir—Allow me to express to you my sincere thanks for your discovery of a medicine, which, to my the least of it, has effected a cure, that all other medicines that I have taken have entirely failed to do. "Hoofland's German Bitters" *have cured me of the most stubborn and approved case of the PILES that, perhaps, ever fell to the lot of man.* My case is not a stranger to this community, as I am well known in this and the surrounding counties, and can truly say that my recovery has astonished all my friends and relations as I had tried everything recommended, and nothing did me any good until I was prevailed upon to try the Bitters. You are at liberty to make use of this communication, for the benefit of the afflicted, as you may think proper.

Truly yours,
WM. J. ATWOOD.

Humors.—We know of nothing more try ing to the patience—more aggravating to the soulless, more painful to be borne, than a humor breaking out in boils, or internally causing a canker, exhibiting itself in the Erysipelas, or eating into the very bone in the form of Scrofula. But thanks to an all wise Providence, direful as these afflictions may be, a sure remedy has been found —a healing portion is within the grasp of all. Kennedy's Medical Discovery comes like an angel of mercy to the afflicted with healing in its wings; and there are thousands at this moment whose blood, a few months since, was corrupted by humor, but now flows purified through their veins. We do not hesitate to declare this the greatest remedy for humor ever known.
