PITTSBURGH CHEMICAL AND VARNISH WORKS.
FINCH & CO.,

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the preparation of all descriptions of Copal and other VARNISHES, and are now prepared to supply their friends and the trade generally with articles of the very best manufacture, made of the best material, and selected with the greatest care and on the most favorable terms.

FINCH & CO. intend to devote themselves to cultivating a first class trade, and have no doubt that their effort in that line will prove satisfactory. Their tariff of prices will be found equally low with any of the eastern manufacturers, and being determined that no article shall leave their works not of approved and tested quality, they only ask for a trial and a share of public patronage.

To our fine Body COACH VARNISH we would call particular attention. This article is equal, if not superior, to English Coach Varnish of the very best brand, being made exactly after the process of the first class English Varnish maker, Mr. Thomas Douglass, who for many years was engaged in some of the most extensive establishments in England and Scotland.

Our Anti-Corrosive BLACK VARNISH we would particularly recommend to Founders, Boatbuilders, and Manufacturers of iron generally, its peculiar qualities prevent corrosion entirely, which is a great desideratum to those using varnish for iron, and preferable to asphaltum and other compounds.

All orders left at Messrs. JOHN IRWIN & SONS' Front store, will be punctually attended to; or with J. FINCH, 127 Third st.
