Fremont Club!!

The friends of JOHN C. FREMONT in this city and vicinity, are cordially invited to attend a meeting *to-night*, (Thursday) July 17th, to organize a FREMONT CLUB for Allegheny county. All Fremont men are invited.

The meeting will be held in FRANKLIN HALL, on Fifth street, opposite the Theatre, at 8 o'clock, P. M.

☞ For Telegraphic News see 3d page. For City and Commercial News see 4th page.

MR. SUMNER'S SPEECH.—Persons desirous of procuring copies of Mr. Sumner's celebrated speech, "The Crime against Kansas," in pamphlet form, can procure them at this office.

SENATOR WILSON.—In the hurry of making up our report of the speech of this gentleman at the great meeting on Tuesday night, we inadvertently omitted to state that he closed his eloquent address by urging his hearers to give a hearty support to the Philadelphia nominations, President and Dayton. The Senator from Massachusetts is one of those plain-spoken men who never leaves any room to doubt or cavil as to his position or meaning.

THE GREAT MEETING ON TUESDAY NIGHT.—It was easy to tell the FREMONT men, yesterday, on the street, by the pleasant faces they wore. The glorious turn-out on Tuesday night has infused into them new heart and spirit. They see that the people are aroused—that they are taking hold of the Presidential question with an earnest mind—that it is of no use, now, for politicians to falter or falter, the people will sweep over them like an irresistible flood. Those who will not lead must either follow or be swept out of the way. The honest yeomanry—the masses—the workingmen—the backbone of the community are for FREMONT; and the enthusiasm awakened by his name is unequaled by anything in the recent history of politics. We never saw a campaign open under such brilliant auspices; and the cheer which sat on so many faces yesterday, as the result of that unprecedented demonstration, shows that it was a sign of the times easily read and understood.

Our friends all say that we were over modest in claiming but *five thousand* as the number in attendance. The large spaces in the American Hotel Yard was crowded to its utmost capacity, and many went away unable to gain admittance. Experienced judges say that it will hold considerably more than five thousand; and when we add the many who dropped in during the evening, taking the places of those who went away, it is not too much to say that there were *ten thousand* persons on the ground during the evening. Every body admits that it was the largest meeting of the kind ever held in this city. Even the *Post* concedes that it was quite a "respectable" assemblage; which is quite a concession when we consider that it was ten times as large as the Buchanan ratification meeting held on the same spot. We suppose the *Post* thinks it was even *quite* as "respectable" in point of numbers as the Buchanan gathering at Wilkinsburg on the Fourth of July.

The work so nobly begun is now to be followed up in like spirit. The imperative call is now to Organize! Organize! Fremont Clubs should be formed in every ward, borough and township in the country, and our word for it, the people have only to be asked—they need no urging—to come out for that purpose. Allegheny county can, if she will, give a larger majority for Fremont than she ever gave for any other man.

OUR RATIFICATION MEETING.—The Fremont and Dayton ratification meeting, on Tuesday evening, was one of the largest political meetings ever held in this city. We have attended all the political meetings, of any size, for many years back, and we never recollect to have seen so large and dense a mass of people crowded together. This shows that the people, the *masses*, are moved by the startling pretensions of the slave power.

The assemblage was that of men—not of boys—of sober, earnest, thinking men. A more respectable political gathering we have never seen. There was solidity about it.

There was an earnest, cordial, and harmonious feeling present. One mind seemed to sway the vast assemblage; that of stern opposition to the aggrandizement and extension of slavery, as provided for in the Cincinnati platform, and that of a desire for union for the sake of victory. Nothing was done or said to give offence to any of the friends of Freedom.

The meeting has done good, and will do good. The friends of Freedom are encouraged—the friends of Buchanan are alarmed. They see in these demonstrations the handwriting on the wall, announcing that the power of the slavery propaganda is departing.

A FREMONT ELECTORAL TICKET IN KENTUCKY.—The Republicans of Kentucky have held a meeting at Slate Lick Springs, Madison county, and formed an electoral ticket. It is comprised of the following persons:

Senatorial Electors—1. C. M. Clay, of Madison county; 2. George D. Blakey, of Logan co. Representatives—1. Edgar Needham, of Louisville. 2. J. H. Rawlings, of Madison county; 3. Rev. J. S. Davis, of Lewis county; 4. J. Grazebrook, of Barren county; 5. J. R. Whittemore, of Campbell county; 6. David Morgan, of Boone county; 7. V. Hamilton, of Bracken co.; Electors-at-large—8. Leslie Combs, of Perry county; 9. Thos. Leathbrooke, of Daviess county; 9. Green Spells, of Jessamine county; 10. John Wash, of Anderson county.

☞ The New York Courier and Enquirer closes a long article on Mr. Fillmore's position on the Slavery question, as follows:

"Thus, it is seen, that on every question touching the extension of Slavery into the Territories, or its interests and credit as an institution, the people of the American party in Congress, which now supports Mr. Fillmore, are a pro-slavery party—as strongly and completely so as the Administration party itself. This might have been inferred at the outset, from the fact that five-sixths of the present supporters of Mr. Fillmore in Congress are Southern men, and five sixths of the newspapers which sustain him are Southern newspapers. But we have given, in the above citation of votes specific, positive proofs, from which there is no escape.

"THE FACT IS IRREFUTABLE, THAT THE SUPPORT OF MR. FILLMORE IS THE SUPPORT OF SLAVERY EXTENSION AND PROPAGANDISM.

OHIO & PENNSYLVANIA RAILROAD.—The statement below shows that the receipts of the road as somewhat greater than the corresponding month last year:

Passenger receipts for June	$57,678 95
Freight	24,422 91
	$82,101 86
Total receipt for June, 1855	78,423 68
Increase	3,668 18

HEAR A KENTUCKIAN SPEAK.—The Hon. Thos. F. Marshall has recently removed from Kentucky to Chicago. A large body of Kentuckians living in Chicago invited him to deliver a political address, just such as he pleased, and he accordingly made such a speech on Saturday evening, July 5th. He said he was disconnected with all political parties and without political aspirations. Speaking of the great question now at issue—the extension of Slavery—he said, "the word *Slave* found no place in the Constitution; why, he would not say. The ordinance of 1787 was the means of securing freedom to the magnificent domain northwest of the Ohio river, and no man questioned its constitutionality. The Missouri Compromise was made in 1820 to settle a vexed question. The line of 36:30 was drawn by *real big giants*—an allusion to the "Little Giants," which drew forth much applause. There were giants in those days, he added. Henry Clay gave the might of his voice and influence to secure its enactment. No man then, none until recently, denied or doubted its constitutionality. That was a mad hand which erased it. He himself predicted then the results which have followed. The territory is now in a state of anarchy, and all this is the result of the Nebraska bill.

MUST NOT CELEBRATE THE 4TH OF JULY.—Among the orders which Col. Sumner was directed to execute, was this: *To prevent the people of Kansas from assembling to celebrate the 4th of July.* This was consistent with the Border Ruffian laws, for the reading of the Declaration of Independence would be a violation of those laws, and subject the reader to imprisonment in the Penitentiary!

The Newspaper Press in Pennsylvania.

The Philadelphia *News* pretends to give a list of the opposition press in Pennsylvania, and makes out that 35 support Fillmore, and that only 31 support Fremont. The list is an unfair and unsupport Fremont. The list is an unfair and untrue one, over one-half of the Fremont papers being omitted. There are really over eighty papers in the State sustaining Fremont.

The following is the list of Fillmore papers as given by the *News*:

DAILY NEWS, PHILADELPHIA.

Leaving but 30 Fillmore papers in the State, most of which are published in little country villages and are of but little account.

American, Carlisle, Cumberland co.

In all, twenty-two papers; and these, added to the previous list, give us *eighty-seven Fremont papers in Pennsylvania*. It is probable that we have omitted a few that properly belong here, and we have no doubt that there are at the present time *ninety* Fremont papers in the State—or three times the number allowed us by the magnanimous Fillmore Organ in Philadelphia.

These facts need no comment: they speak for themselves.

OHIO.—Four times the Democratic party have selected a candidate for the Vice Presidency from Kentucky, and each time particularly with the view of carrying the State for their ticket. In 1836, they nominated Richard M. Johnson to carry Kentucky, and they failed. In 1840, they nominated the Tecumseh-Killer, and failed not only in Kentucky, but almost everywhere else. In 1848, they nominated General Wm. O. Butler, and failed again to carry Kentucky, or to elect their candidates. In 1856, they have nominated John C. Breckinridge, and they will again fail most ingloriously everywhere. Then, upon the three former occasions, when the Democratic party have nominated a candidate for Vice President specially with a view of carrying the State, they have failed to do so. Twice out of three times they have been defeated throughout the Union, and this time it defeated throughout the Union, and this time it will be as it was in '40 and '48, for, where Col. Dick Johnson and Gen. Butler failed, Breckinridge will surely be overwhelmed.—*Lou. Journal.*

THE GERMAN TURNERS FOR FREMONT.—A convention of delegates from the German Turnverein of Connecticut, was held recently at Military Hall, in Ewen street, in Williamsburgh, for the purpose of amicably arranging some matters of difference between the Eastern and Western Associations. Franz Deck presided and F. Hums acted as Secretary. Twenty-eight societies were represented, and the matters in question were duly arranged. Afterwards a political discussion arose, and the delegates reported that all the Associations were in favor of the election of Col. Fremont. There are 60,000 Turners in the United States, of whom about 7,000 reside in the Southern States and are in favor of the election of Buchanan; in New York and New Jersey there are about 10,000 Turners, and it is reported that, with the exception of about 300, they are all for Fremont.

Political Items.

THE Hon. Wm. Strickbury, Trimble last year, and Judge Humphrey, heretofore Democrat, are making speeches for Fremont in Licking county, Ohio.

—The whole proportion of the Maine straight Whigs now go for Fremont and Dayton. The *State of Maine* journal, the organ of the Whigs *State of Maine* journal, the organ of the Whigs and hoists the flag of the Pathfinder.

THE Syracuse *Journal* publishes a call signed by 194 Democrats of Onondaga county, who now repudiate Buchanan, for a convention for consultation and action, of such Democrats as cannot swallow the Cincinnati Platform.

In Warren county, Pa., the Democracy of the townships of Freehold, Columbus, Corydon, Pleasant and Sheffield, refused to be represented at a grand rally to ratify the Cincinnati nominations, on account of their being opposed to the extension of slavery. The *North American* says these townships contain one-fourth the population of the county.

THE Lowell (Mass.) *Courier* states that the Protestant Irish of that city, numbering some 800, are taking steps to form a Fremont Club.

NEW YORK.—Among the many cheering signs from this State indicative of its safety for Fremont and Freedom, is that of the hauling down of the flag of Buchanan and the Slave Democracy by that staunch old Democratic organ of Tompkins county, *The Ithaca Journal*. This event will paralyze the Buchaneers of New York in the Southern tier of counties to a large extent. The old Silas Wright Democrats are fast abandoning the rotten cause.

THE Welsh paper published in New York, and having a large circulation, ably supports Fremont and Dayton. The Welsh all favor free labor.

THE German *Republikaner* of Cincinnati, a strong Republican and widely circulated journal, has gained more than one thousand subscribers from Indiana since the nomination of Fremont.

Hon. EDWARD A. LAMBERT, Mayor of the city of Brooklyn, from 1835 to 1854, and for many years a very influential man in the Democratic ranks, has come out for the Fremont ticket.

THE Angelica (Allegheny county, N. Y.,) Reporter, a paper which has stood by the Democratic party for twenty years, and which raised the Buchanan flag when he was nominated, has taken down that flag and come out with the name of Fremont and Dayton at its mast head.

At Cumminsville, O., last Saturday there was a Buchanan Meeting. Thirty-nine persons were present, a number of whom were Fremont men. After the organization, eleven Democrats withdrew from the crowd and organized a Fremont club, leaving the chairman of the meeting to preside over seventeen individuals.

As least a million of copies of Senator Sumner's great speech have been printed already in pamphlet form. The printer at Washington has alone issued 225,000 copies.

THE Hon. Wm. Maurice, formerly a Democratic member of Congress from the Long Island District in New York, repudiates Buchanan and takes the stump for Fremont.

Gen. DANIEL NEEDHAM, in 1854 the Chairman of the Democratic State Committee of Massachusetts, but now a resident of Vermont, was one of the principal speakers at the Republican State Convention recently held at White River Junction.

GREAT FREMONT DEMONSTRATION IN OTSEGO, N. Y.—The Otsego (N. Y.) Herald says 5000 freemen attended the Fremont Ratification meeting at that place. The speaking was continued through afternoon and evening. Among the speakers was ex-Senator Johnson, of Delhi, an influential Democrat, who now goes for Freedom. Hon. S. Miller, a well-known and influential Democrat of Delaware, also spoke.

A REPUBLICAN ratification meeting was held at Dubuque, Iowa, on the 25th ult., which is pronounced one of the greatest political demonstrations ever held West of the Mississippi.

The Yonkers, N. Y. Examiner, heretofore an independent journal, has announced its intention to support Col. Fremont for the Presidency.

The Rockford (Ill.,) Democrat, always an Old Line Democratic proper, has hoisted the names of Fremont and Dayton.

The Milwaukie Wisconsin says:

THE PUBLIC SENTIMENT.—We had a call yesterday from a Democrat, in one of the towns in this county, who has voted the regular Democratic ticket for *nineteen* years. He goes enthusiastically for Fremont. He says the Democratic ranks in his neighborhood are broken all to pieces. He has five brothers in different parts of the State, all life-long Democrats, who also work for Fremont. He remarked that the enthusiasm in the county exceeds belief. The people are awake. Every log cabin has its advocates for the People's candidate, and their votes in November will show that their enthusiasm is a solid reality.

DIED.—Tuesday evening 15th inst., at the residence of her mother Mrs. J. Lewis, Sharpsburg, MISS. ANN F. DUNCAN, daughter of Dr. Duncan, of Norwalk, Ohio.

Her funeral will take place to-day (Thursday) at 10 o'clock, to proceed to the Allegheny Cemetery.

Thoughts for Reflection—As we take up the newspaper of a morning, and turning our eyes to that portion of it that records the deaths, we read one here killed of Erysipelas, another of Scrofula, and a third from the effects of a Canker, and there all in the prime of life, and we cannot but think that, in many of these instances their names would not have appeared there before old age had called them to their graves, if their friends had administered proper remedies. In view of this subject, permit me to suggest to all "Kennedy's Medical Discovery" as being eminently calculated for the cure of the above diseases and all of a similar nature. We, therefore, cordially recommend it to those whose blood is now flowing corrupt through their veins.

The only Medal Awarded by the New York Exhibition

to the English or Foreign Safes Mixed Railroads has been obtained, amongst numerous competitors, by ILEA & PERRINS, for their

WORCESTERSHIRE SAUCE.

No further testimony is afforded of its being the best sauce extant.

The excellency of this Sauce has extended to every quarter of the globe, and its efficacy in promoting the general health is becoming daily more observed and acknowledged.

In the United States it is held to be the most agreeable condiment, and is esteemed for its taste and invigorating properties; its habitual use enabling the stomach to digest the food.

On the Continent of Europe, these qualities have been certified to by a gentleman, who writes to ILEA & PERRINS, that he has carried a bottle of your Worcestershire Sauce in a tour I have just completed through Spain and Portugal, and believe I owe my present state of health to its use; your Sauce is excellent, and I think medicinal. I am sure, with me, say there is nothing in a traveler's baggage so essential to his comfort, at least in these countries, as your Sauce.

In India, also, where it is found at the mess of every regiment, a medical gentleman writes from Madras to his brother in the same profession at Worcester, in the following terms: "Tell Ilea & Perrins that their sauce is highly approved in India, and that it is in my opinion, the most delicious as well as the most wholesome sauce in use."

This sauce is suitable for every variety of dish, and the general demand which its excellence has created has given many imitations being offered to the public, under various names, but the genuine sauce may be known by the names of "ILEA & PERRINS" which is impressed upon the bottle, as well as the labels and wrapper.
