FAIRBANK'S PLATFORM SCALES.

THE undersigned having been appointed exclusive Agents for the sale of these celebrated SCALES, manufactured by the original inventors

E. & T. FAIRBANKS & CO.,

Respectfully invite attention of the public generally to the superiority of these Scales over all others.

These Scales have been subjected to the *SEVEREST TEST* on all the principal Railroads in the United States and Canada, and in every branch of business throughout the world, and their unerring accuracy and great durability have gained for them the reputation of being *THE BEST AND ONLY RELIABLE SCALE WHICH THEIRS CAN BE NO APPEAL.*

We are prepared to fill orders for Steamer, Portable, Dormant, Rolling Mill, Hay, Coal, Railroad and Channel scales, of any size or capacity. JOSEPH WALKER, 9 & 21 Park Place, New York.

PITTSBURGH CHEMICAL AND VARNISH WORKS.

FINCH & CO.,
RESPECTFULLY inform Druggists and Dealers generally that they have for some time been engaged in the preparation of all descriptions of Japans and other VARNISHES, and are now prepared to supply their friends and the public generally with articles of the very best manufacture, made of the best materials, and mixed with the greatest care and on the most favorable terms.

FINCH & CO. intend to devote themselves to cultivating a first class trade, and have no doubt that their efforts, on trial, will prove satisfactory. Their tariff of prices will be found equally low with any of the eastern manufacturers, and, being determined that no articles shall leave their works not of approved and tested quality, they only ask for a trial and a share of public patronage.

To our fine Body COACH VARNISH we would call particular attention. This article is equal to any English Coach Varnish of the very best brand, being made exactly after the process of the first class English houses. Dr. Thomas Douglass, who for many years was engaged in some of the most extensive establishments in England and Scotland.

Our Anti-Corrosive BLACK VARNISH we would perticularly recommend to Founders, Boatbuilders, and Manufacturers of Iron generally, its peculiar qualities prevent oxydization entirely, which is a great desideratum in those using varnish for iron, and preferable to asphaltums and other compounds.

All orders left at Messrs. JOHN IRWIN & SONS' Front street, will be punctually attended to, or with J. FINCH, 120 Third st. jan16-dly

TONICS WON'T DO!

THEY never did do more than give temporary relief and never will. It is because they don't touch the cause of the disease. The cause of all Malaria or Malaria, is the atmospheric poison called MIASMA, and nothing neutralizes this poison by its NATURAL ANTIDOTE, and all disease caused by it disappears at once. Hence the Ague Cure is life and death to Malaria, and moreover it is a perfectly harmless medicine. See Pittsburgh Gazette of the celebrated chemist, Dr. Chilton, of New York, to this effect, is attached to every bottle. Ague Cure will not do, and does not do Ague.
This is more than can be said of Quinine, Arsenic, or any other Ague Poison, as their use is ruinous to the constitution and brings on DUMB AGUE, which never allows a moment's health in after years. Ague Cure, Take it when you feel the chills coming on and you will never have a single one.
