FAIRBANK'S PLATFORM SCALES.

THE undersigned having been appointed exclusive Agents for the sale of these celebrated SCALES, manufactured by the original inventors,

E. & T. FAIRBANKS & CO.,

Respectfully invite attention of the business community to the superiority of these scales over all others.

These scales have been subjected to the *INTEREST* TEST on the principal Railroads in the United States and Canada, and in every branch of business throughout the world, and their uniform accuracy has given them the highest character for superiority, being *THE STANDARD BY WHICH OTHERS CAN BE JUDGED AND TRIED.*

We are prepared to fill orders for Counter, Portable, Depot, Railroad, Hay, Coal, Stock, Cotton and Warehouse Scales, of every description, at manufacturers' prices.

PITTSBURGH CHEMICAL AND VARNISH WORKS.

FINCH & CO.,

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the preparation of all descriptions of Copal and other VARNISHES, and are now prepared to supply their friends and the public generally with articles of the very best manufacture, made of the best material, and selected with the greatest care and on the most favorable terms.

FINCH & CO. intend to devote themselves to cultivating a first class trade, and have to doubt that their articles, on trial, will prove satisfactory. Their tariff of prices will be found equally low with any of the eastern manufacturers, being determined that no article shall leave their works not of approved normal quality; they only ask a trial and a share of public patronage.

On our Body COACH VARNISH we would call particular attention. This article is equal to any English Coach Varnish of the very best brands, being made exactly after the process of the first class English houses, by Mr. Thomas Douglass, who, for many years was engaged in some of the most extensive establishments in England and Scotland.

Our Anti-Corrosive BLACK VARNISH we would most confidently recommend to Founders, Machinists and Manufacturers of iron generally. Its peculiar qualities prevent oxydation entirely, which is a great desiderata to those using varnish for iron, and preferable to galvanizing and other compounds.

All orders sent to Messrs. JOHN IRWIN & SONS, Front street, will be promptly attended to, or with J. FINCH, jan24-ly 1st Third st.
