but the horses brought in.

By rapid and vigorous movements Castro's tores were all divine from the country north of the bay of San Francisco. At Soama, Gen. Valley, two colonels, and other prisoners were all divine from the country north of the bay of San Francisco. At Soama, Gen. Valley, two colonels, and other prisoners were taken. A squadron of eighty men, under Capt. De la Torre, remained for a short time on a pen insula, at Saucalito, on the northern side of the bay, directly opposite Castro's encampment on the abandoned his borses; and escaped in launch as access the bay to Castro. Fremost form in the battle; and in consequence of his abrence, has from the Estern States, commanded by a patricula American, named David Phelps. And the prisoners who can be cast side; but he was pressed to hard, that the sauces the bay to Castro. Fremost form in the sauces of his abrence, has from the Estern States, commanded by a patricula American, named David Phelps. And the sauces of the sauces of his abrence, about eight miles, where there was a fort with a battry of guns, mostly brass field-pieces, which they opiked, employing for the, purpose steel files used for sharpaning knives, which Captain Phelps happened to have on board his barse.

By if he would wait for him, he would pass avoid the first as he could hot get his horses over the bay, if he would wait for him, he would pass avoid the head an quolety as possible, and mentury and at the very moment that Stockton with waits of the day and others, and others any north was an the 4th of July, the day was day celebrated. On the cast day, agreat concourse of people, and in the casts, having own to meet and welcome him, he declared the country, independent.

On his way round, finding himself at Sonoma him, he declared the country, independent of the first and welcome him, he declared the country, independent.

On the cast day, agreat concourse of people, and in the casts, having one to meet and welcome him, he declared the country, independent.

On the cast day, agreat

Ind an enemys was annihilated, the settlers saved from massacre, and their fields from desolation; the power of Mexico over North California was broken down forever; and, as we shall soon see, the whole of the golden empire secured to the United States.

On the 10th of July, Fremont reached, on his way to Santa Clara, in the fulfillment of his promise to Castro, the nearest point at which are represented to the control of the control of the santary could get around the head of the bay, at Santer's Fort. About sunset an express reached him from Commodors Steat, announcing his capture of Mongrey. The next moraing, at sauries, he hoisted the flag of the American Union at the fort, under a national salute, and with great rejiclings. They keeped what was
