The boroughs and townships adjacent to either city can meet with the Superintendent at the Third Ward School House, Pittsburgh, on Saturday, 30th of August; also on the 18th of Sept.

It is exceedingly desirable that the Directors should be present at the examination for their respective districts, and should require all who are applicants for their schools to be examined at that time.

Directors should examine each certificate, before giving employment to any one.

It might be proper to remark, here that the time of commencing these examinations has been fixed so as not to interfere with the "harvest season," nor be interrupted by the call of the State Department for a Convention of County Superintendents at Williamsport, Lycoming Co., on the 12th of August—also "State Teachers' Association" at same place, on the following day.

Applicants will please furnish their own stationary.

B. M. KERR, *County Superintendent.*

PITTSBURGH, July 31, 1856.

DEAR SIR:—In an article published in your columns to day, you say, that much credit is due to Mr. Geo. Fortune the Health officer, to ensure a full compliance with the laws of health. We would invite Mr. Fortune to visit the lower part of our city and examine some of the "nuisances" that exist there. "Dead horses" and all kinds of carrion are thrown in the river close to shore with no chance to float off, and there left! The smell that arises from them is insufferable, and well calculated to bring on disease. Also other nuisances which modesty forbids us to name, are of nightly occurrence. Let Mr. Fortune have an eye to these nuisances and he will have thanks of MANY CITIZENS.

—We believe it will be only necessary to give Mr. Fortune notice of such nuisances to have them promptly removed. Still it must not be expected that he can bear the duties of the whole city government on his shoulders, especially where there are officers for special duties.

MURDERER ARRESTED.—Several days ago, High Constable King received a dispatch from M. Chantrand, of the St. Louis *Republican*, informing him that a man named Zimmerman, who killed a man on board the steamer *Cornplanter* at the Allegheny wharf, also two years ago by striking him on the head with a capstan bar, was in that city. The dispatch was laid before District Attorney Roberts who directed his arrest, and procured a requisition from Governor Pollock. It now remains with the County Commissioners to say whether he shall be brought to this city for trial. Of course the police can not defray the expenses of a trip to St. Louis and back themselves. We hope the Commissioners will not hesitate, and we believe they will not when they reflect upon the criminal occurrences of the city for the past two months.

LOCUSTO CLUB MEETING.—For several days previous to Thursday night, large handbills were scattered through the two cities and Manchester for a club meeting that evening at Gherst's Bear Hall, 3d ward, Allegheny, and the result was the presence on the occasion of about 150, sixty of whom were from the city, and many of the others Fremont men who were anxious to see a Buchanan Club meeting. Nearly in the same vicinity a Fremont meeting was attended by about 350 persons, and many were obliged to go away for want of standing room—and this too, with barely a local notice.

FREMONT CLUB MEETING.—The Pioneer Club, of Allegheny, held a meeting last evening at Excelsior Hall, Allegheny, Josiah King, President in the Chair. Notwithstanding the oppressive heat, the Hall was filled. Samuel Palmer, Esq., and others addressed the meeting. The greatest enthusiasm prevailed throughout, and the voters of Allegheny seem to be strongly awake to the importance of the coming contest.

The Club transacted considerable business, preliminary to a thorough organization. The Executive Committee will meet at Excelsior Hall on Monday evening.

BURGLARY.—The grocery store of a man named M'Cormick, Liberty street, Fifth Ward, was feloniously entered on Thursday night. The robbers took thirty cents in change, and a trunk belonging to a young woman named Margaret Haslet. The trunk was found yesterday morning on the hill-side above the Fifth Ward, with its contents, except of a certificate of deposit on Jones & Co., Brokers, which the robber pocketbooked. It will not do them any good, as Messrs. J. & Co., have been notified of the burglary.

ALLEGHENY CITY FREMONT CLUB.—The meeting at Rawle's Hall on Thursday night, was very large, many being obliged to go away owing to the crowd. The Third Ward Glee Club was present and participated in the proceedings.

The orators were D. L. Eaton, Esq., and F. H. Collier, Esq. Both gentlemen were earnest and effective, and increased the ardor in the good cause of the Germans and other Fremont men of the city. The club adjourned to meet next Thursday evening.

THE FIFTH WARD BEER RIOT.—James Kane, one of the party who made the attack upon Obit's Beer House, 6th Ward some weeks ago, the facts of which are familiar to our readers, was arrested in New Castle on Thursday, by officer Mixon, of the Mayor's police. The prisoner was fully committed to answer the charge by Alderman Wilson.

CELEBRATION.—The colored people of the two cities and vicinity, yesterday celebrated the anniversary of the emancipation of 800,000 slaves in the West Indies, at Denny's Grove. Speeches and music were the order of the day.

The Hannibal Guards (colored) after parading the streets proceeded to the grounds. They made a fine appearance. They were presented with a handsome flag.

LEG BROKEN.—An employe of the Pennsylvania Railroad, had his leg broken in three places at Brinton's Station, yesterday morning. The accident was caused by his slipping off the car while at work, which he had been sitting.—His name is John Gordon, and he resides in the First Ward, Pittsburgh.

CAMPHENE EXPLOSION.—Mrs. Jane Lynn, wife of Dr. W. J. Lynn, of Port Perry, while descending the cellar steps on Thursday morning with a camphene lamp in her hand, slipped and fell, and the camphene ignited, and fell upon her clothes. She was much injured from her waist down.

To those who wish to make a good investment, we recommend attending the auction sale by Blakely & Bickley, of a lot of ground in East Liberty, which will positively take place this afternoon between three and five o'clock. See advertisement.

DISTRESSING ACCIDENT.—On Thursday evening, as a party of boys were engaged swinging in the 8th ward, a little girl named Mary Jones, aged about three years, was struck on the head by the swing, and had her skull fractured. She was still living at last accounts, but is hardly expected to recover.

A NUMBER of desirable Building Lots in the 6th and 7th wards, will be sold on the premises this afternoon, August 2d, at 3 o'clock, by P. M. Davis, Auctioneer.

DEATH.—T. J. Fox Alden, a prominent member of the Pittsburgh Bar, and widely known throughout the State, died yesterday morning, at his residence in Minersville.

SEVENTH WARD FREMONT CLUB.—A splendid assemblage of citizens convened last night in the Seventh ward to form a Fremont Club.

A fine lot in the rear of the residence of Wm. Arthurs, Esq., has been fixed up for holding such meetings, in which a platform is erected, the whole being brilliantly lighted with gas. It is one of the finest places we ever saw for such a purpose, and much credit is due to those who have fitted it up.

At this spot a crowd numbering from five hundred to a thousand gathered last night, upon one day's notice. Wm. M'Catcheon, Esq., a venerable merchant, presided. A committee was appointed to report officers for the permanent organization of the Club, which reported the following:

President—JOSHUA HANNA.

Vice Presidents—Wm. M'Catcheon, John Hoffer, Christian Oyer, David P. Estep, Robert King, Robert M'Cosh, Henry Lytle, C. G. Rodgers, M. Hodkinson, Lewis Boil, Chas. W. Hubbard.

Secretaries—J. S. Franklin, Joseph Wall; Jno C. Lippincott, Jacob Bowman, M. K. Moorhead.

Speeches were made by Dr. E. D. Gazzam, Thos. Howard, Esq., and O. H. Rippey, Esq., which were received with loud applause, and in the intervals between the speeches the old "Gee Ho and Ward Glee Club" enlivened the audience with songs, in their usual inimitable style, much to the gratification of the audience. The meeting adjourned at a late hour, in the best of spirits.

DROWNED.—A negro, a servant of Mr. John Hay, Haysville, was drowned on Thursday in the Ohio, while bathing.

[From the Boston Saturday Evening Gazette.]

A Confirmed Dyspeptic.—What lady or gentleman would remain under the curse of a disagreeable breath when by using the "*Balm of a Thousand Flowers*," but twice as a dentifrice every day, they can be restored to sweetness as pure as the lily while as alabaster? Many persons destroy their breath in using the smoker's curse, believe that their breath will never mention it. Put a single drop of the fragrant "Balm" on your tooth-brush, wash the teeth with it, and the effect is like one bottle will last a year.

A BEAUTIFUL COMPLEXION may easily be secured by using the "*Balm of a Thousand Flowers*." It will remove tan, pimples, and *freckles* from the skin, leaving it clear, and rosate in appearance. Wet your face two or three drops, and wash the face night and morning.

SHAVING MADE EASY.—Wet your shaving-brush in either of the above forms of the "Balm" rub your face two or three drops of "Balm of a Thousand Flowers," rub the brush on the soap, and a full crop of beautiful soft lather much facilitating the operation of shaving. Price only Fifty Cents.

Prepared and for sale at 444 Canal street, New York.
